### CLEARINGHOUSE RULE 17-039

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### **2. Form, Style and Placement in Administrative Code**

The treatments described by the agency in SECTION 1 of the proposed rule may be more accurately characterized in separate SECTIONS as amendment of s. Ins 25.13 (4) (title); and the renumbering and amendment of s. Ins 25.13 (4). Specifically, with regard to the latter treatment, it appears the agency intends to renumber s. Ins 25.13 (4) as sub. (4) (intro.) and (a). With regard to the amendment of s. Ins 25.13 (4) (title), the agency should use small capital letters as described in s. 1.05 (2), Manual, and should indicate the period ending the title without underscored text as it appears in the current rule text. If adopted, the enumeration of provisions treated by the proposed rule should also be updated to reflect the treatment revisions.
