### CLEARINGHOUSE RULE 17-064

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### 1. Statutory Authority

a. In the rule summary’s listing of statutory authority for the proposed rule, the reference to s. 442.04 (5) (b) 3. and 4., Stats., should be removed. That provision is interpreted by the proposed rule, while the other cited provision provides the rulemaking authority.

#### 5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Proposed s. Accy 2.202 (2) and (3) could be improved for clarity. “Cover” is an imprecise term within the context it is used. The board might instead consider replacing “that cover” with “including courses on each” or “including one course on each”.

b. In proposed s. Accy 2.303 (1) and (2), the word “satisfied” is redundant. In sub. (1), the board might instead consider replacing “satisfied” with “The education requirements specified in”. In sub. (2), the word “specified” could simply be deleted.
