CLEARINGHOUSE RULE 18-037

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

1. Statutory Authority

The proposed rule meets the standard that is required to submit a petition under s. 227.26 (4), Stats., for expedited repeal of an unauthorized rule. An “unauthorized rule” is a rule for which an agency lacks the authority to promulgate the rule due to the repeal or amendment of the law that previously authorized promulgation.

In this case, the agency’s authority was repealed by 2007 Wisconsin Act 20.

2. Form, Style and Placement in Administrative Code

a. An introductory clause should be inserted to specifically enumerate the rule provisions treated and to state the subject matter of the proposed rule. [s. 1.02 (1), Manual.]

b. The rule summary’s listing of statutes interpreted should be revised to cite the specific statutory provision that was interpreted for administration and enforcement in the department’s original rule. [s. 1.02 (2m) (a) and (b), Manual.]

c. The rule summary’s listing of statutory authority should be revised to cite the specific statutory provision that granted rulemaking authority for the original rule. The statutory provision for the expedited rulemaking process, s. 227.26 (4), Stats., should not be cited, as that provision establishes the process and does not remove or confer rulemaking authority for the subject matter addressed in the proposed rule. [s. 1.02 (2m) (a), Manual.]

d. The rule summary's explanation of agency authority should be updated to reflect any revisions made in accordance with the previous comment.

e. The department should review its Administrative Code provisions to repeal any cross-references to the provision that is repealed in the proposed rule.
