### CLEARINGHOUSE RULE 18-057

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### 1. Statutory Authority

The proposed rule meets the standard that is required to submit a petition under s. 227.26 (4), Stats., for expedited repeal of an unauthorized rule. An “unauthorized rule” is a rule for which an agency lacks the authority to promulgate the rule due to the repeal or amendment of the law that previously authorized its promulgation.

In this case, the repeal of s. 101.31, Stats., in 2015 Wisconsin Act 55, removed all statutory material regarding the construction career academy grant program. The proposed rule likewise removes all related references in the agency’s administrative code provisions. The proposed rule accordingly follows the Legislature’s intent to fully remove the construction career academy grant program from state law.
