## **CLEARINGHOUSE RULE 20-014**

#### **Comments**

[NOTE: All citations to "Manual" in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

# 2. Form, Style and Placement in Administrative Code

- a. In the rule caption's listing of amended provisions, and in the treatment clause for SECTION 6 of the proposed rule, consider revising the citation to s. A-E 5.06 (6) (a) and (b) to remove the listing of pars. (a) and (b). Subsection (6) contains only pars. (a) and (b), and is accordingly amended in its entirety.
- b. Within s. A-E 5.03 (2), consider replacing the reference to "sub. (3) (a) and (b)" with simply "sub. (3)". Subsection (3) contains only pars. (a) and (b).

## 5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. In the rule summary's plain language analysis, the first bullet point appears to be incomplete.
- b. Throughout the proposed rule, consider hyphenating the term "onsite" so that it reads "on-site". While both "onsite" and "on-site" are used throughout Wisconsin Statutes and the Wisconsin Administrative Code, the term is hyphenated within s. 145.01 (12), Stats., the definition of "private on-site wastewater treatment system" that is cross-referenced in this rule.
- c. Within s. A-E 5.04 (7) (Note), consider replacing "by request from the Department of Safety and Professional Services" with "by request to the Department of Safety and Professional Services".
