Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]

2. Form, Style and Placement in Administrative Code

In the analysis for the proposed rule, under the heading for related statutes or rules, the Board could consider adding a citation to the other licensing provisions in ch. N 2.

4. Adequacy of References to Related Statutes, Rules and Forms

Section 440.09 (2) (a), Stats., requires an individual who is applying for a reciprocal credential to apply using a form prescribed by the Department of Safety and Professional Services or the credentialing board. Section 227.14 (3), Stats., requires references to forms to be included in a note. Accordingly, the proposed rule should be revised to include a note to indicate where the form may be found or how it may be obtained. Compare, for example, the note that is included in the proposed text of [CHR 21-034](#). [s. 227.14 (3), Stats.; and s. 1.12 (3), Manual.]
