## CLEARINGHOUSE RULE 24-010

### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Council Staff and the Legislative Reference Bureau, dated November 2020.]**

#### **2. Form, Style and Placement in Administrative Code**

a. In the caption for the proposed rule, the enumeration of affected provisions should be revised to list each of the provisions affected in the text of the proposed rule.

b. In the treatment clause for SECTION 1 of the proposed rule, the designation “(title),” should be inserted before “(intro.)”.

#### **4. Adequacy of References to Related Statutes, Rules and Forms**

SECTION 1 of the proposed rule amends s. PI 34.028 (2) (c) to also apply to an applicant hired to meet a “CESA, charter school, or private school” need. Current ch. PI 34 includes a definition for CESA, but does not provide a definition for either charter school or private school. Consider creating definitions in ch. PI 34 for those terms, by cross-reference to the definitions in s. 115.001 (1) and (3r), Stats. [s. 1.07 (4), Manual.]

#### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

SECTION 1 of the proposed rule amends s. PI 34.028 (2) (c) to allow a Tier 1, one-year renewable license based on school need in a “charter school”. This new Tier 1 license available to a charter school teacher is different from the existing Tier 1 charter school license provided in s. PI 34.031. The existing Tier 1 charter school license specifies that it is only available for teachers at a “non-virtual charter school”. Presumably, since s. PI 34.028 (2) (c) does not include similar language, the new Tier 1 license based on school need is available to teachers at both virtual and non-virtual charter schools. If this is not the intent, then additional language should be added to s. PI 34.028 (2) (c).
