 Permissive Mandatory

5. Types of Local Governmental Units Affected:
 Towns Villages Cities
 Counties Others _____
 School Districts WTCS Districts

Fund Sources Affected

- GPR FED PRO PRS SEG SEG-S

Affected Ch. 20 Appropriations

20.155 (1) (g)

Assumptions Used in Arriving at Fiscal Estimate

The proposed rule changes provide a mechanism for utilities to report territorial exchanges between each other. The rule also modifies the types of construction that the Commission needs to be informed of and changes the Cost threshold for Commission approval of projects. While there may be a slight reduction in staff work in this area, The rule changes will allow PSC staff to spend more time concentrating on important gas safety issues.

Long-Range Fiscal Implications
