**Re: Administrative Rules of the State Elections Board, repealing and recreating EIBd 3.02 and creating EIBd 3.01, 3.03, 3.10 to 3.13, and 3.20, relating to voter registration**

Dear Mr. Sklansky:

Enclosed please find a Notice of Proposed Rule, concerning new rules to repeal and recreate EIBd 3.02 and to create EIBd 3.01, 3.03, 3.10 to 3.13, and 3.20, relating to voter registration, that the State Elections Board has adopted and wishes to promulgate pursuant to the 30-day notice procedure under s.227.16(2)(e), Stats.

These new rules interpret and implement subchapter II of ch.6 of the Wisconsin Statutes, ss.6.26 – 6.57, Stats. Subsection (3) of s.6.26, Stats., provides that the Elections Board “shall, by rule, prescribe procedures for appointment of special registration deputies, for revocation of appointments of special registration deputies, and for training of special registration deputies by municipal clerks and boards of election commissioners.” The rule implements that statute, and also sets forth the procedures for voter registration and for the conduct of voter registration drives to implement the legislature’s directive in s.6.26, Stats., that the board shall, by rule, prescribe procedures “to promote increased registration of electors consistent with the needs of municipal clerks and boards of election commissioners to efficiently administer the registration process.”

No court decision directly relates to the content or adoption of these rules.
