**Assumptions Used in Arriving at Fiscal Estimate**

The proposed rules under chapter Comm 4 establish the procedures for implementing the grant program for construction career academies as established under 2007 Wisconsin Act 20. The funds for the grants will come from revenue generated by Safety and Buildings Division programs. The grant program is to be funded at \$250,000 from the division's FY 08 revenue.

Long-Range Fiscal Implications  
No long-range fiscal implications are anticipated.
