NOTICE IS HEREBY GIVEN To the presiding officers of each house of the legislature that the proposed rules are in final draft form according to the procedure set forth in s. 227.19, Stats.

**PROPOSED ORDER OF THE
STATE SUPERINTENDENT OF PUBLIC INSTRUCTION
CREATING RULES**

The state superintendent of public instruction hereby proposes to create Chapter PI 45, relating to the use of race-based nicknames, logos, mascots, and team names by school boards.

ANALYSIS BY THE DEPARTMENT OF PUBLIC INSTRUCTION

Statute interpreted: s. 118.134, Stats.

Statutory authority: s. 118.134 (2) (a), (b) 1. and 2 and (4), Stats.

Explanation of agency authority:

2009 Wisconsin Act 250 allows a school district resident to object to the use of a race-based nickname, logo, mascot, or team name by the school board of that school district by filing a complaint with the state superintendent.

Under s. 118.34 (4), the state superintendent is required to promulgate rules necessary to implement and administer this provision.

Specifically under s. 118.34 (2) (a) and (b) 1. and 2., Stats., rules must define whether the use of the race-based nickname, logo, mascot, or team name promotes discrimination, pupil harassment, or stereotyping.

Related statute or rule: Chapter PI 9, pupil discrimination.

Plain language analysis:

2009 Wisconsin Act 250 allows a school district resident to object to the use of a race-based nickname, logo, mascot, or team name by the school board of that school district by filing a complaint with the state superintendent. If a complaint objects to the use of a nickname or team name by a school board, the state superintendent must immediately review the complaint and determine whether the use of the nickname or team name by the school board, alone or in connection with a logo or mascot, is ambiguous as to whether it is race-based.

If the state superintendent determines that the use of the nickname, logo, mascot or team name is unambiguously race-based, the school board has the burden of proving by clear and convincing evidence that the use of the race-based nickname, logo, mascot or team name does not promote discrimination, pupil harassment, or stereotyping as defined by the state superintendent by rule.

If the state superintendent determines that the use of the nickname or team name by a school board is ambiguous as to whether it is race-based but that the use of the nickname or team name in connection with a logo or mascot is

race-based, at the hearing the school board has the burden of providing by clear and convincing evidence that the use of the nickname or team name in connection with the logo or mascot does not promote discrimination, pupil harassment, or stereotyping, as defined by the state superintendent by rule.

If the state superintendent determines that the use of the nickname or team name by a school board is ambiguous as to whether it is race-based, the use of the nickname or team name by the school board is presumed to be not race-based and at the hearing the school district resident who filed the complaint has the burden of proving by clear and convincing evidence that the use of the nickname or team name promotes discrimination, pupil harassment, or stereotyping, as defined by the state superintendent by rule.

If the school board receives approval from a specific, federally recognized American Indian tribe to use the nickname, logo, mascot or team name, the state superintendent may determine that no contested case hearing is necessary or that a hearing date may be postponed for the purpose of obtaining additional information.

Under the Act, the state superintendent is required to promulgate rules to define whether the use of the nickname, logo, mascot, or team name promotes discrimination, pupil harassment, or stereotyping and other rules necessary to implement and administer this provision.

The rules specify that the use of any of the following nicknames or team names are unambiguously race-based and presumed to promote discrimination, pupil harassment or stereotyping unless the school district produces clear and convincing evidence refuting this presumption.

- A nickname or team name is unambiguously race-based if it includes any of the following terms: 1. the full or partial name of any specific, federally recognized American Indian tribe, 2. Indians, 3. Braves, or 4. Redmen.
- A nickname or team name is unambiguously race-based if it includes any of the terms arrows, blackhawks, chiefs, chieftains, hatchets, raiders, red raiders, warriors, or warhawks and is used in connection with any of the following logos or mascots: 1. A depiction of an American Indian person or persons, 2. Feathers or feather headdress, 3. Arrows, bows, spears, tomahawks, stone hatchets, or other historical or traditional American Indian weapons or tools, or 4. Historical or traditional American Indian drums, pipes, beadwork, clothing or footwear.

The rules establish procedural timelines as to when and what information must be submitted to the state superintendent by a school board and when a contested case hearing may or may not be scheduled.

Rules must be submitted to legislative council staff no later than November 1, 2010. The department intends to promulgate these rules as emergency rules.

Summary of, and comparison with, existing or proposed federal regulations: N/A.

Comparison with rules in adjacent states:

Illinois, Iowa, Michigan, and Minnesota do not have administrative rules relating to Indian nicknames, logos, mascots, and team names.

Summary of factual data and analytical methodologies:

Current law, s. 118.13, Stats., prohibits discrimination against pupils on a number of grounds, including race and ancestry. Complaints relating to race-based names, logos, mascots and team names have been filed under this statute in the past. Under s. 118.13, Stats., the burden of proof is on the complainant to prove by a preponderance of the evidence that use of a nickname, logo, mascot, or team name results in pupil discrimination. In addition, the complaint first must be filed with the school board and then appealed to the department. 2009 Wisconsin Act 250 provides that a school district resident may object to a school board's use of a race-based name, nickname, logo, mascot, or team name by filing a complaint directly with the state superintendent of public instruction. This Act creates a presumption that use of a race-based nickname, logo, mascot, or team name promotes discrimination and requires school boards to provide clear and convincing evidence to refute that presumption.

2009 Wisconsin Act 250 is supported by the 11 tribal governments in Wisconsin, the Great Lakes Inter-Tribal Council, the Wisconsin Indian Education Association, the Wisconsin Education Association Council, other Indian nations and organizations across the country, various national non-profit and faith-based organizations, and most recently the National Collegiate Athletic Association (NCAA).
