FINAL REGULATORY FLEXIBILITY ANALYSIS

Department of Commerce

CLEARINGHOUSE RULE NO.: 10-103	
RULE NO.: Chapters Comm 2, 5, 14, 20 and 61 to 66	
RELATING TO: Wisconsin Commercial Building Code	
X Final regulatory flexibility analysis not required. (Statement of determination required.)	
Pursuant to s. 227.19 (3m), Stats., the Department of Commerce has determined that the proposed rules amend Chapter Comm 5 will not have a significant impact on a substantial number of small business. The Department believes the rules will not increase the effect on small businesses from what the curre rules impose on them. Sections 101.02 (1) and (15), 101.14 (1) and (4), and 101.973 (1), Stats., author the department to promulgate rules prescribing minimum construction and operation standards and for prevention standards for public buildings and places of employment, including multifamily dwellings. To proposed rules of Clearinghouse Rule 06-120 are minimum requirements to meet the directives of the Statutes, and any exceptions from compliance for small businesses would be contrary to the Statute objectives which are the basis for the rules.	es. ize ire he
1. Reason for including or failing to include the following methods for reducing impact of the rule on small businesses: Less stringent compliance or reporting requirements; less stringent schedules or deadlines for compliance or reporting requirements; simplification of compliance or reporting requirements; establishment of performance standards to replace design or operational standards; exemption from any or all requirements.	
2 legges raised by small businesses during hearings, changes in proposed rules as a regult of commen	40

by small businesses and reasons for rejecting any alternatives suggested by small businesses.

2.
