RE: Germane modification to Clearinghouse Rule 11-016

Dear Senator Vukmir and Representative Bies:

The Radiography Examining Board would like to make germane modifications to proposed rules Clearinghouse Rule 11-016 to comply with 2009 Act 106.

The 2009 Act 106 establishes the end date for the transitional license or permit to be March 1, 2012. The following modifications would bring the rule in compliance with 2009 Act 106:

In SECTION 2 modify RAD 2.06(2) to read:

RAD 2.06(2) Beginning March 1, 2012, applicants for a radiographer license shall satisfy the course of study and required examinations to qualify for the credential.

In SECTION 3 modify RAD 3.06(2) to read:

RAD 3.06(2) Beginning March 1, 2012, a person who applies for a LXMO permit shall satisfy the full requirements of s. 463.03(3) which requires completion of an approved course of study as determined by the board and successfully passes the examinations required by the board to obtain a permit.

The following modification brings the basis of denial in line with the requirements set forth in s. 462.03 as created by 2009 Act 106:

In SECTION 2 modify RAD 2.05(2) to read:

RAD 2.05(2) Arrested or convicted of an offence subject to ss. 111.321, 111.322, and 111.335.

In SECTION 3 modify RAD 3.07(2) to read:

RAD 3.07(2) Arrested or convicted of an offence subject to ss. 111.321, 111.322,  
and 111.335.

Please let me know if you have any questions or concerns regarding these modifications. Thank  
you.

Cordially,

Sharon Henes
