Re: Clearinghouse Rule 13-045
DWD 801 – Wisconsin Fast Forward Training Grants

Dear Representative Loudenberg and Senator Tiffany:

In accordance with sec. 227.19(4)(b)3, Stats., the Department of Workforce Development submits a germane modification to proposed rule CR 13-045 (DWD 801), relating to workforce training grants under the Wisconsin Fast Forward program. This modification is in response to discussions with Representative Kooyenga and Senator Farrow.

The modification is as follows:

Proposed DWD 801.03(22) is amended to read:

DWD 801.03(22) "Unemployed worker" means an individual who is currently out of work and is available for work. "Unemployed worker" includes a secondary education student in a workforce training program when the employer confirms an intent to hire students who successfully complete the program. "Unemployed worker" does not include ~~excluding~~ an individual who is not working but anticipates being called back to his or her regular employment.

Sincerely,

Howard Bernstein, Chief Legal Counsel
Wisconsin Department of Workforce Development
