STATE OF WISCONSIN)
WISCONSIN REGISTRATION BOARD OF)
ARCHITECTS AND PROFESSIONAL ENGINEERS)
(ENGINEERING DIVISION))

SS

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

I, C. F. Hurc, Secretary of the Wisconsin Registration Board of Architects and Professional Engineers (Engineering Division), and custodian of the official records of said division, do hereby certify that the annexed rules and regulations, relating to examinations for Land Surveyors, were duly approved and adopted by the Engineering Division of said Board on July 15, 1965.

I further certify that said copy has been compared by me with the original on file in the Engineering Division of this Board and that the same is a true copy thereof, and of the whole of such original.

IN TESTIMONY WHEREOF, I have hereunto
set my hand and affixed the official
seal of the Board at its office in
Room 1100 State Office Building, in
the city of Madison, this 16th day of
July, 1965.

Cass F. Hurc
Secretary

ORDER OF THE WISCONSIN REGISTRATION BOARD
OF ARCHITECTS AND PROFESSIONAL ENGINEERS ADOPTING RULES

Pursuant to authority vested in the Engineering Division of the Wisconsin Registration Board of Architects and Professional Engineers by Section 101.315 (1)(d) Wis. Stats., the division adopts rules as follows:

Section A-E 1.15 (6) of the WISCONSIN ADMINISTRATIVE CODE is adopted to read:

A-E 1.15 (6) EXAMINATIONS FOR LAND SURVEYOR. (a) Examinations required.

Parts I and II. Each part 4 hours in length.

Total 1 day (8 Hours).

1. The applicant shall be required to pass the 8-hour Written Examination.
2. Oral examinations will be at the discretion of the Engineering Division

(b) Place of examinations. Madison, Wisconsin

(c) Time of examinations. Exact time and date to be arranged.

(Normally held latter part of the month in July and December)

(d) Grading of written examinations; passing grades.

1. Experience ratings will not be weighed as a part of the Examinations.
2. The applicant must not fall below 60% in Part I or Part II, and must average at least 70% in a combination of Part I and Part II.
3. If an applicant fails in Parts I or II of the Examination he may at the discretion of the Board be not required to retake the parts he has passed, or he may be required to retake the entire examinations.

(e) Scope of Written Examinations. Parts I and II will be made up of questions covering some phases of the following subjects:

1. Fundamentals of mathematics, algebra, trigonometry and geometry; the history, principles and applications of the U.S. System of Public Land Surveys, Wisconsin Plane Coordinate Surveys, and Geodetic Surveys; the instructions of the U.S. Land Office relative to the relocation of

lost and obliterated corners and the subdivision of sections; the legal essentials of resurveys, including those involving disputed boundaries, defective deed descriptions, riparian rights, adverse possessions, etc.; Wisconsin Statutes relative to Land Surveying, including the preparation and filing of plats; the writing and interpretations of land descriptions; the technical essentials of Land Surveying and subdivision of lands, including practical problems requiring a knowledge of the basic theory and fundamental concepts in Field Astronomy, Geometry of Curves, Topography and Photogrammetry.

The rules contained herein shall take effect on November 1, 1965.

Dated: July 15, 1965
