United States of America  
**THE STATE OF WISCONSIN**  
CONSERVATION COMMISSION

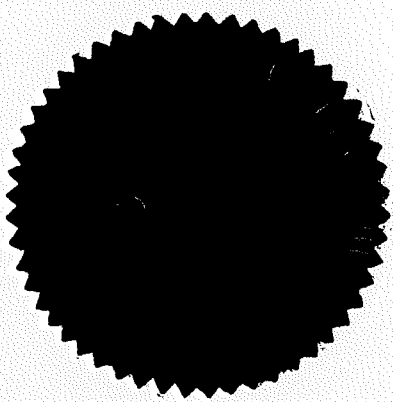

*To All Whom These Presents Shall Come:*

I, L. P. Voigt

Director of the Conservation Commission of the State of Wisconsin, do hereby certify that the annexed copy of Conservation Commission Order

G-993

has been compared by me with the original order in my custody and on file in the office of the Conservation Commission at Madison, Wisconsin, and that the same is a true copy thereof, and of the whole of such original order; that said order was duly passed and published as set forth therein.

In Testimony Whereof, I have hereunto set my hand and affixed the Seal of the State Conservation Commission of Wisconsin at the State Office Building in the City of Madison, this 30 day of December 19 64

L. P. Voigt  
Conservation Director

STATE CONSERVATION COMMISSION OF WISCONSIN

IN THE MATTER OF repealing and :  
recreating section WCD 10.01 (4)(c) :  
and amending section WCD 10.01 (4) :  
(d) of the Wisconsin Administrative :  
Code relating to trapping seasons :  
for beaver and otter. :  
-----

ORDER No. G-993

ORDER OF THE STATE CONSERVATION COMMISSION OF WISCONSIN ADOPTING,  
AMENDING AND REPEALING RULES

Pursuant to authority vested in the State Conservation Commission of Wisconsin by sections 29.085, 29.107 and 23.09, Wisconsin Statutes, the State Conservation Commission of Wisconsin hereby repeals, amends and adopts rules as follows:

Section WCD 10.01 (4) (c) of the Wisconsin Administrative Code is repealed and recreated to read:

Kind of Animal and Locality	Open Season (both dates inclusive)	Bag Limit
(c) Beaver		The total combined season bag and possession limit for Zones A, B and D is 35 beaver; and it is unlawful to trap in any zone more than the season bag limit established for such zone

**ZONE A**

All that part of the state lying northerly of State Highway 64 ----- Feb. 6 through April 10 35 per season

**ZONE B**

All that part of the state lying southerly of a line beginning at the junction of State Highway 82 with the west boundary of the state, thence easterly along said Highway 82 to its junction with State Highway 33, thence easterly along said Highway 33 to its junction with State Highway 73, thence southerly along said Highway 73 to its junction with State Highway 60, thence easterly along said Highway 60 to its junction with Ozaukee County Highway "Q", thence easterly along said Highway "Q" extended easterly to its junction with Lake Michigan which is the east boundary of the state Feb. 6 through March 31 35 per season

**ZONE C**

All that part of the state bounded by a line beginning at the junction of the Chippewa River with the west boundary of the state, thence northerly along said Chippewa River to its junction with U. S. Highway 10, thence easterly along said Highway 10 to its junction with U. S. Highway 53, thence southerly along said Highway 53 to its junction with State

Kind of Animal and Locality	Open Season (both dates inclusive)	Bag Limit
-----------------------------	---------------------------------------	-----------

Highway 35, thence southerly along said Highway 35 to its junction with State Highway 82, thence westerly along said Highway 82 to its junction with the west boundary of the state. Also in the counties of Brown, Calumet, Dodge (except those parts lying northerly of State Highways 68 and 33, westerly of State Highway 73, and southerly of State Highway 60), Kewaunee, Manitowoc, that part of Ozaukee north of State Highway 60 and County Highway "Q" extended easterly to its junction with Lake Michigan, Sheboygan and that part of Washington north of State Highway 60 --- None

-----

**ZONE D**

All other parts of the state -----	Feb. 6 through March 7	20 per season
------------------------------------	------------------------	---------------

**ZONE E**

A special open season by permits for trapping beaver is established in the following described trout waters. The Wisconsin Conservation Department shall issue free permits to all licensed trappers requesting such permits to trap beaver in such waters. A maximum of 15 beaver tags shall be issued to each permittee and such tag must be affixed to the carcass of each beaver trapped under such permit immediately upon removing the carcass from the trap.
