ORDER OF THE WISCONSIN REGISTRATION BOARD
OF ARCHITECTS AND PROFESSIONAL ENGINEERS ADOPTING RULE

Pursuant to authority vested in the Wisconsin Registration Board of Architects and Professional Engineers by Section 101.31 (4)(d), Wis. Stats., and Section 101.31 (1)(d), Wis. Stats., the Board adopts rule as follows:

Rule A-E 1.04 is repealed and recreated to read:

A-E 1.04 Registration Seals. (1) Each registrant, as an architect, engineer, or land surveyor shall provide himself with a seal that complies with the specifications of the Board.

(2) (a) Such seal shall contain the registrant's name, registration number, and city. The following designs have been adopted:

(b) Seals obtained prior to the adoption of this rule and which are in conformance with prior Board rules are acceptable.

(3) Rubber stamps, identical in size, design and content with the approved seals may be used by the registrant at his option.

(4) (a) Each sheet of plans, drawings, documents, specifications and reports for architectural or engineering practice, and of maps, plats, charts and reports for land surveying practice shall be signed, sealed and dated by the registrant in responsible charge of their preparation. Where

more than one sheet is bound together into one volume, only the title sheet need be signed, sealed and dated by the registrant in responsible charge of their preparation, provided the title sheet clearly identifies all of the other sheets comprising the bound volume.

(b) No additions, deletions, or other revisions shall be made unless a statement of such revision be attached to the sheet bearing the original seal and signature. The statement shall be signed, sealed and dated by the registrant in responsible charge of the preparation of the addition, deletion, or other revision, and, along with such revision, shall become a part of the original.

The rule contained herein shall take effect on April 1, 1966.

Dated: January 28, 1966
