TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETINGS:

I, Stephen J. Reilly, Secretary of the Industrial Commission of Wisconsin, and custodian of the official records of said Commission, do hereby certify that the attached amendments to Wisconsin Administrative Code Ind 50.10 (3) were adopted by the Industrial Commission on February 1, 1967.

I further certify that said copy has been compared by me with the original on file in this Commission and that the same is a true copy thereof and of the whole of such original.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the official seal of the department at the Capitol, in the city of Madison, this 1st

day of February, A.D., 1967.

Executive Secretary

ORDER OF THE INDUSTRIAL COMMISSION

Pursuant to authority vested in the Industrial Commission by section 101.01 to 101.29 Wis. Stats., the Industrial Commission hereby repeals, recreates, and adopts rules as follows:

Repeal Section Ind 50.10 (3) and recreate as follows:

(3) All plans shall be submitted in triplicate and work shall not be started until plans are approved. Complete foundation and footing plans may be submitted for approval prior to submitting the building plans if the plot plan, itemized structural loads, complete foundation or footing design calculations and schematic floor plans are included showing exits, windows and other pertinent information.

The following data shall be a part of or shall accompany all plans submitted for approval. Items (h) and (i) need not accompany foundation and footing plans submitted prior to final building plans.

- (a) The location and grades of adjoining streets, alleys, lot lines and any other buildings on the same lot or property.
- (b) Name of owner.
- (c) Intended use or uses of all rooms, and the number of persons to be accommodated therein.
- (d) Assumed bearing value of soil.
- (e) Assumed live loads.
- (f) Assumed dead loads, itemized.
- (g) Assumed unit stresses for structural materials.
- (h) Stress diagrams for all trusses.
- (i) Typical calculations for slabs, beams, girders and columns.

The rules as repealed and recreated shall become effective on the first day of the month following publication in the Wisconsin Administrative Code as provided in Section 227.
