

Ag 10, 11

STATE OF WISCONSIN)
) SS
DEPARTMENT OF AGRICULTURE)

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

I, Donald E. Wilkinson, Secretary of Agriculture, and custodian of the official records of the State of Wisconsin Department of Agriculture, do hereby certify that the annexed order amending, repealing, repealing and recreating and adopting rules relating to animal health, Wis. Adm. Code chapter Ag 10, and livestock dealers and markets, Wis. Adm. Code chapter Ag 11, was duly adopted by this department on February 16, 1970.

I further certify that said copy has been compared by me with the original on file in this department and that the same is a true copy thereof, and of the whole of such original.

IN WITNESS WHEREOF, I have hereunto set my hand at Madison, Wisconsin, this 16th day of February, 1970.

Secretary of Agriculture

Docket No. 866.

ORDER OF THE DEPARTMENT OF AGRICULTURE
AMENDING, REPEALING, REPEALING AND RECREATING
AND ADOPTING RULES

Pursuant to authority vested in the Department of Agriculture by sections 93.07 (1) and (10) and chapter 95, Wis. Stats., the Department of Agriculture hereby amends, repeals, repeals and recreates and adopts rules as follows:

1. Sections Ag 10.04 (1) (a) and (b) of the Wisconsin administrative code are amended to read:

Ag 10.04 Swine, import. (1) Health certificate. (a) No person shall import any swine into this state unless such swine are identified by ear tag, or other means of permanent identification approved by the department, and are accompanied by an interstate health certificate including thereon a report of official vaccination or official serum prophylaxis for hog cholera showing the kind of treatment and date of inoculation as defined in subsection (2) of this section. The vaccination and serum treatment requirement of this paragraph shall not apply to swine imported from a state that has been designated as a hog cholera-free state by the federal bureau, provided such swine are identified as required by this paragraph and are accompanied by an interstate health certificate including thereon a report that such swine have been examined and are free from evidence of disease. No person shall import swine into this state without first obtaining a permit from the department.

(b) Swine fed raw commercial garbage may not be imported into

this state. Swine fed cooked commercial garbage may be imported into this state for slaughter only under a special permit from the department.

✓ 2. Section Ag 10.04 (1) (c) of the Wisconsin administrative code is repealed.

✓ 3. Section Ag 10.04 (2) of the Wisconsin administrative code is repealed and recreated to read:

Ag 10.04 (2) Official vaccination; official serum prophylaxis.

Swine may be admitted on an official interstate health certificate only if not known to be affected with or exposed to hog cholera and if:

(a) Officially vaccinated prior to July 1, 1969, but not more than 2 years prior to arrival in Wisconsin, with a modified live virus vaccine that was approved under title 9, section 76.16c, code of federal regulations, with anti-hog cholera serum or antibody concentrate, or

(b) Officially vaccinated prior to July 1, 1969, but not more than 1 year prior to arrival in Wisconsin, with at least 2 doses of killed or inactivated hog cholera vaccine when given not less than 30 days nor more than 6 months apart, or

(c) Treated not more than 5 days prior to arrival at destination in this state with the minimum dosage of anti-hog cholera serum or antibody concentrate appearing in the following table:

<u>Weight</u>	<u>Anti-hog cholera serum minimum dose (c.c.)</u>	<u>Antibody concentrate minimum dose (c.c.)</u>
Suckling pigs.....	20	10
Pigs 20 to 40 lbs.....	30	15
Pigs 40 to 90 lbs.....	35	17.5
Pigs 90 to 120 lbs.....	45	22.5
Hogs 120 to 150 lbs.....	55	27.5
Hogs 150 to 180 lbs.....	65	32.5
Hogs 180 lbs. and over..	75	37.5

Such swine shall be identified by an orange-colored swine ear tag or other identification approved by the department.

4. Section Ag 10.04 (3) of the Wisconsin administrative code is amended to read:

Ag 10.04 (3) Quarantine. All swine imported into this state shall be segregated and quarantined separate and apart from all other swine on the premises for a period of 30 days after arrival. The department shall inspect all such swine upon the expiration of the quarantine period and the quarantine shall be removed if no evidence of hog cholera is disclosed. In the event evidence of hog cholera is disclosed, all infected and exposed swine shall be condemned and destroyed.

5. Section Ag 10.09 of the Wisconsin administrative code is renumbered Ag 10.54 (3) and amended to read:

Ag 10.54 (3) Bovine animals. Bovine animals infected with mange, scab or ringworm may not be exhibited at any fair or other livestock exhibition. Animals found to be infected, or showing evidence of infection with mange, scab or ringworm after arrival at a fair or other livestock exhibition shall be isolated from other animals susceptible to the disease and removed from the premises. This subsection shall not apply to animals showing evidence of ringworm infection if in the opinion of the veterinarian

in charge of such fair or exhibition the lesion is inactive and not capable of transmitting the disease.

✓ 6. Section Ag 10.16 (2) of the Wisconsin administrative code is amended to read:

Ag 10.16 (2) Report to buyer. No person shall sell swine which are represented as treated against hog cholera without furnishing to the buyer at the time of sale an official report of such inoculation. Swine treated with anti-hog cholera serum or antibody concentrate alone shall not be represented as receiving prophylaxis treatment more than 14 days after inoculation.

✓ 7. Sections Ag 10.16 (4) and (5) of the Wisconsin administrative code are repealed.

✓ 8. Section Ag 10.30 (6) of the Wisconsin administrative code is adopted to read:

Ag 10.30 (6) Swine dysentery.

✓ 9. Sections Ag 10.54 (1) and (2) of the Wisconsin administrative code are adopted to read:

Ag 10.54 Exhibition. (1) Livestock. Each fair or livestock exhibition in Wisconsin shall employ a licensed veterinarian to inspect all livestock at the exhibit daily.

(2) Swine. (a) No person shall exhibit at a show or fair any swine unless they are accompanied by a health certificate signed by a licensed, accredited veterinarian. The certificate shall accompany the exhibition swine and shall be filed at the show or fair office. The certificate shall state that the herd of origin has been inspected on the farm and that no apparent disease has been present for the past 30 days.

(b) Swine originating from outside Wisconsin shall in addition comply with the requirements of Wis. Adm. Code sections Ag 10.04 (1), (2) and (5). Swine treated with anti-hog cholera serum or antibody concentrate only shall be treated not more than 5 days prior to exhibition with amounts of serum or antibody concentrate prescribed in Wis. Adm. Code section Ag 10.04 (2) (c), and shall be retreated with serum or antibody concentrate if remaining on exhibition beyond a 14-day period after date of last treatment.

✓ 10. Section Ag 10.56 (1) (e) of the Wisconsin administrative code is adopted to read:

Ag 10.56 (1) (e) Boars exhibited at a show or fair and returning to farm of origin.

✓ 11. Section Ag 10.56 (2) of the Wisconsin administrative code is repealed.

✓ 12. Section Ag 11.03 (2) of the Wisconsin administrative code is repealed.

The rules contained herein shall take effect as provided in section 227.026, Wis. Stats.

Dated: February 16, 1970.
