ORDER OF

DEPARTMENT OF INDUSTRY, LABOR AND HUMAN RELATIONS

Pursuant to authority vested in the Department of Industry, Labor and Human Relations by sections 101.01 to 101.29, Wis. Stats., the Department of Industry, Labor and Human Relations hereby amends, creates and adopts rules of Wisconsin Administrative Code Chapter 44, Personnel Hoists.

The rules attached hereto shall become effective on the first day of the month following publication in the Wisconsin Administrative Code as provided in section 227, Wis. Stats.

Section Ind 44.091 is created to read:

Ind 44.091 Personnel Hoist Installation and Dismantling. (1) During installation or dismantling of personnel hoists and accessory equipment, including the tower, no person shall be permitted to ride any part of the equipment.

(a) Before any work is begun on the electrical control system, all personnel elevator hoisting equipment shall be in permanent position including hoisting and counterweight cables, the governor, the governor cable and the safety device.

Exception to Ind 44.091: Any personnel hoists having the governor and safety device engaged and/or operational during erection and dismantling of the hoist.

Subsection Ind 44.10(1)(b) is amended to read:

(b) Every hoistway landing entrance door or gate shall be equipped with a mechanical lock and electric contact. The lock shall not be accessible from the landing side.

Subsection Ind 44.37(1)(c) is amended to read:

(c) All hoistway openings shall be provided with doors equipped with mechanical locks and electric contacts. The locks shall not be accessible from the landing side.
