Extension of time to file briefs may be granted by the hearing examiner upon good cause shown.

(2) Additional Evidence. If by stipulation of the parties, documentary evidence is permitted to be submitted after the close of testimony, the record will be closed when such documentary evidence is received by the department or when the specified time for furnishing it has elapsed without its being furnished. The hearing examiner may, upon the request of the stipulating parties, extend the time as originally prescribed for filing such additional evidence.

NR 2.16 REOPENING HEARINGS. When a hearing in a contested case is closed, no further evidence shall be received, except by order of the department reopening a closed contested case for the taking of future evidence upon application of a party showing to the department's satisfaction that the evidence is newly discovered or was not available at the time of the hearing and that the evidence is necessary for a just disposition of the case.

Other parties may contest any claimed error within 12 days of the date of the mailing of the transcript by so notifying the hearing examiner and other parties of record. All parties will be advised by the hearing examiner of any authorized corrections to the record.

NR 2.18 BRIEFS. (1) Time for Briefs. In contested cases, parties shall indicate on the record after the close of testimony whether they desire to file briefs. (2) Number. Five copies of all briefs shall be filed with the department together with a certification showing when and upon whom copies have been served.
