ORDER AMENDING RULES

This is an order of the State Superintendent of Public Instruction, amending rule PI 3.03 and PI 3.03 (5) (a) of the Wisconsin Administrative Code.

Pursuant to the authority vested in the Department of Public Instruction by Section 115.28 (7) and Chapter 227, Wis. Stats., the State Superintendent of Public Instruction hereby amends the following rule, PI 3.03 and PI 3.03 (5) (a) of the Wisconsin Administrative Code as follows:

PI 3.03 Licenses. A license is a 1, 2 or 3 year instrument which indicates that the holder is fully qualified to teach the subjects or at the grade levels endorsed on the license. Licenses are given to persons who are recommended by the proper college authorities and who have completed a program approved by the state superintendent of public instruction. The state superintendent shall conduct an on-site review at all institutions that prepare professional school personnel at least once each fifth year for the purpose of approving programs leading to the licensure of such school personnel. Approved programs must meet the minimum requirements set by the state superintendent but they may go beyond these minimums as determined by each teacher preparation institution and as approved by the state superintendent. A teacher under the rules and regulations of the state department is a person whose work includes the exercise of any educational function for compensation, in any of the public schools, in instructing pupils, or in administering, directing or supervising any educational activity.

PI 3.03 (5) (a) High school teachers of all subjects shall have secured a good general education background for graduation from college. Colleges in Wisconsin preparing teachers for public high schools shall file their pattern of general education with the state superintendent in 1961 and at 5 year intervals thereafter. Applicants graduating from college shall have completed plan 1, plan 2, plan 3, or plan 4 below:

The amendments contained herein shall take effect on the first day following its publication in the Wisconsin Administrative Register.
