REPEALING, RENUMBERING AND AMENDING, AMENDING,
REPEALING AND RECREATING RULES
relating to the requirements of the
pharmacy internship training program.

Analysis prepared by Pharmacy Internship Board:

Chapter Ph-Int, Wis. Adm. Code, implements ss. 36.25(20) and 450.02(2)(a), Stats. It sets the requirements for the pharmacy internship program. The changes clarify the definition of intern and internship-for-credit and broaden the requirements of internship-for-credit to allow credit for training experiences in non-traditional settings, in the

2-1-83

degree-granting academic program and during a graduate or post-entry level professional degree program. Section Ph-Int 1.03(1) is amended and s. Ph-Int 1.03(2) is repealed and recreated to clarify the existing internship-for-credit requirements and to add the additional experiences for which credit may be allowed. Changes are also made to facilitate procedures for granting credit for internships served out-of-state. Other language changes referring to the director of the pharmacy internship program are made to conform to recent changes in s. 450.02(2), Stats.
