ORDER

An order of the Chiropractic Examining Board to create Chir 3.035 relating to temporary permits to practice chiropractic.

- Analysis prepared by the Department of Regulation and Licensing.

-----  
ANALYSIS

Statutes authorizing promulgation: ss. 15.08 (5) (b) and 227.11 (2), Stats., and s. 446.02 (3r), Stats., as created by 1993 Wisconsin Act 31.

Statutes interpreted: s. 446.02 (3g) (a) and (3r), Stats.

1993 Wisconsin Act 31 authorizes the Chiropractic Examining Board to promulgate rules for granting a temporary permit to an individual who is licensed to practice chiropractic in another state, territory or country. Under the same Act, the board may also adopt rules establishing requirements for practicing chiropractic under a temporary permit.

The rules in this order provide for the granting of temporary chiropractic permits to an applicant who has filed an application, paid a fee and meets certain other conditions, including good standing in another jurisdiction without pending disciplinary actions. The rule limits practice to treating participants in an athletic or artistic event, or as an instructor in an approved seminar.

A temporary permit is valid for a specified period of time. Holders of a temporary permit must inform the board of where and when they will practice. Holders of a temporary permit may not use the temporary permit to provide relief services or practice coverage for the practice of a licensed chiropractor.

The rule identifies the reasons which may be used to revoke a temporary permit.

TEXT OF RULE

SECTION 1. Chir 3.035 is created to read:

Chir 3.035 TEMPORARY CHIROPRACTIC PERMITS. (1) The board may grant a temporary permit to practice chiropractic to any chiropractor who files an application prescribed by the board, pays the fee specified in s. 440.05 (6), Stats., and meets each of the following conditions:

(a) The applicant has a chiropractic license in good standing in another jurisdiction and has no disciplinary action pending in connection with any chiropractic license the applicant holds.

(b) The applicant will be practicing chiropractic only as a chiropractor for participants in an athletic or artistic event, or as an instructor in a specific chiropractic education seminar approved for continuing education by the board.

Note: Applications are available upon request to the Chiropractic Examining Board, 1400 East Washington Avenue, P.O. Box 8935, Madison, Wisconsin 53708.

(2) A temporary permit to practice chiropractic issued by the board is valid for 10 calendar days during the 12 month period immediately following its effective date, but no single period of practice under the temporary permit may exceed 3 calendar days. The applicant, or holder of a temporary permit, shall inform the board, in writing, of the locations at which and the dates on which the applicant or holder of the temporary permit will be practicing under the temporary permit, prior to engaging in practice under the temporary permit.

(3) A chiropractor holding a temporary permit to practice chiropractic may not use the temporary permit to provide relief services or practice coverage for the practice of any chiropractor licensed in this state. All temporary permits issued by the board shall bear the legend "limited to sporting or artistic events and approved educational purposes."

(4) A temporary permit may be denied or revoked for any of the following reasons:

(a) Violation of any provision of ch. 446, Stats., or ch. Chir 6.

(b) Failure to pay the fees required under s. 440.05 (6), Stats.

(c) Provision of fraudulent or misrepresented information on the application for a temporary permit.
