

**WISCONSIN ADMINISTRATIVE CODE
CODE CITATIONS**

INTRODUCTION

The Wisconsin Administrative Code Citations list all citations to Wisconsin Administrative Code sections appearing in Wisconsin Supreme Court and Court of Appeals case decisions occurring in Callaghan's Wisconsin Reports from the original printing of the Code on January 2, 1956 through 301 Wis. 2d 530. The initial compilation of Wisconsin Administrative Code Citations was completed by Sara Paul. Updating of the citations will be done periodically, as needed by the Legislative Reference Bureau.

ORGANIZATION

The Wisconsin Administrative Code Citations is arranged by an agency's alphabetical designation. The following page contains a list of the various alphabetical designations used by state agencies since 1956. Some of the rules listed have been renumbered or repealed since the date of the court review.

A rule will be cited in this compilation if it is either mentioned in the text of the opinion or referred to in a note to the opinion.
