Summary of Rule's Economic and Fiscal Impact on Specific Businesses, Business Sectors, Public Utility Rate Payers, Local Governmental Units and the State's Economy as a Whole (Include Implementation and Compliance Costs Expected to be Incurred)

As indicated in the attached fiscal estimate, the fiscal effect of all statutory changes was included in the fiscal estimate for the bill under which the change was made, and therefore the rule as it relates to those sections has no fiscal effect. There is no fiscal effect for the sections of the rule relating to form redesigns or clarifications of examples.

No comments concerning the economic effect of the rule were submitted in response to the department's solicitation.

Benefits of Implementing the Rule and Alternative(s) to Implementing the Rule

Clarifications and guidance provided by administrative rules may lower the compliance costs for businesses, local governmental units, and individuals.

If the rule is not implemented, Chapters Tax 1, 2, 3, and 9 will be incomplete in that they will not reflect current law or department policy.

Long Range Implications of Implementing the Rule

No long-range implications are anticipated.
