ORDER

An order of the Funeral Directors Examining Board to repeal FD 6.09 (5), and to amend FD 6.07 (11), relating to burial agreements funded with life insurance.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: Section 445.125 (3m) (h) and (j), Stats.

Statutory authority: Sections 15.08 (5) (b), 227.11 (2) (a), and 445.125 (3m) (j), Stats.

Explanation of agency authority:

Section 15.08 (5) (b), Stats., “[e]ach examining board...Shall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains and define and enforce professional conduct and unethical practices not inconsistent with the law relating to the particular trade or profession.”

Section 227.11 (2) (a), Stats., “[e]ach agency may promulgate rules interpreting the provisions of any statute enforced or administered by the agency, if the agency considers it necessary to effectuate the purpose of the statute..”

Section 445.125 (3m) (j) 1. d., Stats., “The examining board shall promulgate rules establishing all of the following...[t]he form and content of written notice that a licensed funeral director, operator of a funeral establishment or agent of a licensed funeral director or operator of a funeral establishment is required to provide to the examining board under par. (h).”

Related statute or rule: None.

Plain language analysis:

This rule project removes the requirement that a funeral director, licensed intermediary, or operator of a funeral establishment include the value of the trust when submitting notice to the board that a burial trust is being terminated and replaced with a life

insurance policy. The board determined that the requirement to include the value of the trust in the notice of termination was economically burdensome. The rule also corrects obsolete contact information for the board.

Summary of, and comparison with, existing or proposed federal regulation:

While the Federal Trade Commission (FTC) does regulate the sale of funeral goods and services, the “funeral rule” does not speak to the issue of the termination of burial trusts or the funding of burial agreements with life insurance.

Summary of public comments received on statement of scope and a description of how and to what extent those comments and feedback were taken into account in drafting the proposed rule:

The Funeral Directors Examining Board held a preliminary hearing on the statement of scope at its August 27, 2019 meeting. No comments were received.

Comparison with rules in adjacent states:

Illinois: Illinois requires the seller of the pre-need contract to notify the State Comptroller if the trustee of the fund is being changed (225 ILCS 45/2 (g)). Illinois law does not explicitly require the seller of a burial agreement to notify the board when a burial trust is terminated and replaced with a life insurance policy.

Iowa: Iowa does not require the seller of a burial agreement to notify the board when a burial trust is terminated and replaced with a life insurance policy, but the consumer must consent to this change, and the seller must retain a record of the original trust agreement (Iowa Stats. s. 523A.401 (6)).

Michigan: Michigan requires the seller to provide notice to the consumer when a prepaid burial contract is transferred or assigned (MCL 328.223 (6)). The required content of the notice is not enumerated in rule or statute, nor does it appear that notice must be provided to the Michigan Department of Licensing and Regulatory Affairs.

Minnesota: Minnesota law does not specify a procedure for the termination of a burial trust and replacement with a life insurance policy.

Summary of factual data and analytical methodologies:

As a result of the board’s review of its rules under s. 227.29, Stats., the board determined that the requirement to include the value of the trust in the notice of termination was economically burdensome. The board also determined that the contact information for the board included in s. FD 6.07 (11) was obsolete. This rule project will revise the FD rules to resolve these issues.
