An order of the Chiropractic Examining Board to create Chir 5.01 (1) (i) relating to professional boundaries education requirements.

Analysis prepared by the Department of Safety and Professional Services.

ANALYSIS

Statutes interpreted: ss. 440.035 (2) and 446.028, Stats.

Statutory authority: ss. 15.08 (5) (b), 446.02 (2) (b), and 446.02 (3g) (b), Stats.

Explanation of agency authority:

Section 15.08 (5) (b), Stats., provides that examining boards, such as the Chiropractic Examining Board, “[s]hall promulgate rules for its own guidance and for the guidance of the trade or profession to which it pertains . . .”

Section 446.02 (2) (b), Stats., provides “the examining board shall promulgate rules establishing educational requirements for obtaining a license under par (a).”

Section 446.02 (3g) (b), Stats., provides “the examining board shall promulgate rules establishing additional requirements for obtaining a license under par. (a),...”

Related statute or rule: None.

Plain language analysis:

Wisconsin Administrative Code Chapters Chir 3 and 5 cover the education requirements for licensure and renewal respectively. Neither of these chapters currently includes a requirement of education on the topic of professional boundaries. Other jurisdictions in the US require this topic as part of Chiropractor licensure, and the Board has determined that requiring this education will help protect the health and safety of the public of Wisconsin. The proposed rule adds a requirement that 2 of the 40 hours of continuing education for each biennium for Chiropractors must be on the topic of professional boundaries and ethics .

Summary of, and comparison with, existing or proposed federal regulation: None.

Summary of public comments received on statement of scope and a description of how and to what extent those comments and feedback were taken into account in drafting the proposed rule: N/A

Comparison with rules in adjacent states:

Illinois: Rules of the Illinois Department of Financial and Professional Regulation regulate continuing medical education (CME) for chiropractic physicians practicing in Illinois. The rules address CME hours requirements, acceptable CME programs and activities, requirements for CME sponsors and formal CME programs, certification of compliance with CME requirements, CME earned in other jurisdictions, and the waiver of CME requirements. Illinois does not require a certain number of CME hours to be on the topic of professional boundaries or ethics [68 Ill. Adm. Code 1285.110].

Iowa: Rules of the Iowa Board of Chiropractic regulate continuing education (CE) for chiropractors practicing in Iowa. The rules address required CE hours, standards for CE activities, and exemptions from CE requirements. Iowa requires 2 hours per biennium on the topic of “professional boundaries regarding ethical issues related to professional conduct that may include but are not limited to sexual harassment, sensitivity training, and ethics” [645 IAC 44].

Michigan: Rules of the Michigan Department of Licensing and Regulatory Affairs regulate continuing education (CE) for chiropractors practicing in Michigan. The rules address required CE hours, acceptable CE programs and activities, and approval of CE programs. Michigan requires at least one hour of CE on the topic of sexual boundaries and one hour on ethics [Mich Admin Code, R 338.12037 to R 338.12042].

Minnesota: Rules of the Minnesota Board of Chiropractic Examiners regulate continuing education (CE) for chiropractors practicing in Minnesota. The rules address required CE hours, CE program approval and approval criteria, approval of CE sponsors, and the waiver or deferment of CE requirements. Minnesota does not require a certain number of CE hours to be on the topic of professional boundaries or ethics [Minnesota Rules, parts 2500.1200 to 2500.2000].

Summary of factual data and analytical methodologies:

The proposed rule was developed by reviewing the provisions of chapters Chir 3 and 5 to determine where a requirement for professional boundaries education would be appropriate to add for Chiropractors. The Board determined that adding a continuing education requirement to Chir 5 is most appropriate at this time.
