

NUMBER 4.

JOINT RESOLUTION directing the secretary of state to procure statistics, agricultural and manufacturing.

Resolved by the assembly the senate concurring, That the secretary of state be and he is hereby directed to procure from the proper officers, statistics of the population of this state by towns and counties, together with such agricultural and manufacturing statistics as he may deem useful as shown by the census of 1870, and include the same in his next annual report, if time will permit, and if not included in his report as aforesaid, then to report the same to the next legislature at the opening of the session.

Approved March 2, 1870.

NUMBER 5.

JOINT RESOLUTION relative to procuring [the publications of the] rolls of office of England for State Historical Society.

Resolved by the assembly, the senate concurring, That Hon. J. Lathrop Motley, our American minister to Great Britain be and hereby is respectfully requested to use his kind offices in soliciting from Lord Roneilly, master of the rolls of England, a continuation and completion of the set of valuable publications of the rolls of office for the library of the State Historical Society of the state of Wisconsin, and

Be it further resolved, That his excellency, the governor, be requested to forward to Mr. Motley a properly certified copy of the preceding resolution.

Approved March 7, 1870.

NUMBER 6.

JOINT RESOLUTION, instructing senators and members of congress to ask for further appropriations for harbors in Lake Superior.

WHEREAS, it is now evident that railroad communication between the Mississippi river and Lake Superior in this state,
