Such board of aldermen, upon presentation of such nominations for inspectors and clerks of election, shall immediately proceed to approve or disapprove of the same, and in case a majority of said board of aldermen shall disapprove of any person so nominated, the mayor shall then nominate another person for such position and shall so continue to do until said board of three inspectors and two clerks for each election precinct in said city, shall have been nominated and confirmed, and such nominations and confirmations when so made and concluded, such board of inspectors and clerks shall possess the qualifications and be composed of persons known to belong to the different political parties as hereinbefore provided. The persons so appointed inspectors and clerks of election shall hold their positions during one year; they shall act as inspectors and clerks at every general, municipal or special election held within their precincts during such time; they shall receive such compensation for their services and be liable to such penalties for any violation of their duties as are provided by law for inspectors and clerks of elections in other cases. Such board of inspectors shall have power to fill any vacancy in its number or in the number of the clerks, but the person so appointed to fill a vacancy shall be of the same political party, and possess the same qualifications as the person he succeeds, and it shall be the duty of the board of aldermen in every city in this state to which this law is applicable, to divide the several wards of the several cities aforesaid into election districts or precincts, forming them as nearly as can be practically ascertained, to poll not more than eight hundred votes.

SECTION 2. The persons authorized by law to act as inspectors of elections in any ward or elec-

tion precinct in such city, shall constitute a board of registry for their respective wards or precincts, and their duties as such boards of registry shall be as follows, viz.: To make at such times and in such manner as hereinafter prescribed, a list of all the persons qualified and entitled to vote at the then ensuing election, in the election district of which they are inspectors. The said inspectors shall have their first meeting on Tuesday, three weeks preceding each general election, at the place where said election is to be held, and shall sit two days, for the purpose of making such list. They shall meet at nine o'clock in the forenoon and hold their meetings open until nine o'clock in the evening of each day during which they shall so sit.

Board of registry.

SECTION 3. Said registers shall each contain a list of the persons so qualified and entitled to vote in said election district, alphabetically arranged according to their respective surnames, so as to show in one column the name at full length, and in another column the residence by the number of the dwelling, if there be a number, and the name of the street or other location of the dwelling place of each person. It shall be the duty of said inspectors to enter in said lists the names of all persons residing in their election districts, whose name appears on the poll list kept in said district at the last preceding general election, the number of the dwelling and name of street or other location, if the same shall be known to, or can be ascertained by such inspectors, and, for this purpose said inspectors are authorized to take from the office in which they are filed, the poll lists made and filed by the inspectors of such district, at the general election held next prior to the making of such register. In making said list the board shall enter thereon in addition to the names on the poll list, the names of all other persons duly qualified to vote, who shall appear in person to be registered, and the names of those qualified electors of said precinct who shall make application in writing, which written application shall state the place of residence of such person, and such written application shall be preserved and filed with the city clerk, and the names of all persons on said poll list who have died or removed from the district shall be omitted from said regis-

Registers to contain a list of persons qualified and entitled to vote.

ter. The said inspectors shall complete as far as practicable the said register at their first meeting as aforesaid, and shall make four copies thereof, and shall certify the register and each of the copies to be a true list of the votes in their district, so far as the same are known to them; within two days thereafter the said original list, together with the poll list taken from the office aforesaid, shall be filed by said inspectors in the office of the city clerk of said city, and one copy of said list shall be kept by each of said inspectors, and carefully preserved by him for their use on the day or days hereinafter mentioned, for the revision and correction of the same. One copy of said list shall, immediately after its completion, be posted in some conspicuous place in the room in which such meeting shall be held, and be accessible to any elector who may desire to examine the same, or make copies thereof. The inspectors shall cause ten printed copies of said list to be posted up in ten of the different and most public places within such election district. Said inspectors shall, in addition to the foregoing, cause to be printed not less than fifty additional copies of said list, and shall, within three days, deliver not less than ten copies of the lists so printed to the respective chairmen of the ward committees of the principal opposing political parties.

SECTION 4. In case a new election district shall be formed by the division of any ward, the inspectors of election in the new district thus formed, may make their registry of electors, on the days prescribed by this act, in such manner as the majority of the inspectors may direct; and for that purpose may make a list, or cause to be made a certified copy, of the poll list or lists of the district or districts, in which such new district is situated, or they may dispense with such list or lists, and proceed to make a register of electors from the best means at their command. Said list shall only embrace the names of such persons as are known to them to be electors in their district, and shall be posted up, and copies thereof made as prescribed in the preceding section, and shall be corrected in the same manner that other lists are corrected.

When the board is required to meet.

SECTION 5. The said board shall meet on Tuesday, one week preceding the general election, in

its respective election district at the place designated for holding the polls of election, for the purpose of revising, correcting and completing said lists, and for this purpose it shall meet at nine o'clock in the morning and remain in session until nine o'clock P. M., on that day and the day following.

SECTION 6. The proceedings of said board shall be open, and all persons residing and entitled to vote in said district shall be entitled to be heard by said inspectors, in relation to corrections or additions to said register. One of the lists so kept by inspectors as aforesaid, shall be used by them on the days of making corrections or additions for the purpose of completing the registry for said district.

All proceedings
of said board
shall be open.

SECTION 7. Any elector residing in said district and entitled to vote therein, may appear before said board of inspectors, and require his name to be recorded on said alphabetical list. Any person so requiring his name to be entered on said list, shall make the same statement as to the street and number thereof, and where he resides, required by the provisions of this act, of persons offering their votes at the election, and shall be subject to the same penalties for refusing to give such information, or for falsely giving the same, and shall also be subject to challenge, either by the inspectors, or either of them, or by any other elector whose name appears on said alphabetical list, and the same oaths may be administered by the inspectors as now provided against persons offering to vote at an election, and in case no challenge is made of any person requiring his name to be entered on said alphabetical list, or in case of challenge, if such person shall make an oath that would entitle him to vote in case of challenge at an election, then the name of any such person shall be added to the alphabetical poll list of the last preceding year. After said lists shall have been fully completed upon the days before mentioned, no names shall be added thereto by any person or upon any pretext, and the said inspectors shall, within three days thereafter, cause four copies of the same to be made, each of which shall be certified by them to be a correct list of the voters of their district, one of which shall be filed in the office of the city clerk and one of which shall be delivered to each of said inspectors. Said inspectors shall, in addition to the foregoing, cause to be printed within three days from the completion of said register, not less than fifty copies of such register together with the residence of every person whose name appears thereon, and of the lists of names so printed, ten shall be delivered, not later than Saturday preceding each election, to the respective chairmen of the ward committees of the principal opposing political parties. It shall be the duty of said inspectors so receiving such completed lists as aforesaid, carefully to preserve the said lists for their use on election day, and to designate two of their number at the opening of the polls, to check the name of every voter voting in such district, whose name is on the register. No vote shall be received at any general election unless the name of the person offering to vote be on the said register, as completed by the board of registry as provided in section 5, of this act. Any person whose name is on the register may be challenged, and the same oaths shall be put as now or hereafter may be prescribed by law.
