CHAPTER 98.

AN ACT to authorize the Hickerson Roller Mill company, their heirs and assigns, to construct and maintain a dam in and across Wood river in Burnett county, Wisconsin.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

Authorized to
build a dam.

SECTION 1. The Hickerson Roller Mill company, their heirs and assigns, are hereby authorized and empowered to erect, keep up and

maintain a dam across Wood river, in Burnett county, Wisconsin, on northwest quarter of southwest quarter in section fourteen of township thirty-eight north, of range nineteen west, for hydraulic and flooding purposes; said dam shall not raise the water to exceed eight feet and shall be provided with a suitable slide or chute for the passage of logs and timber over the same. Said Hickerson Rolling Mill company, their heirs or assigns, shall keep said dam and slide or chute in repair, and shall keep said slide or chute open at all times when the said river is at a driving stage and there are logs and timber to run over said dam.

SECTION 2. The dam so erected shall be subject to all provisions of chapter 146, of the revised statutes and acts amendatory thereof, so far as said chapter and acts amendatory may be applied, in like manner as if such provisions were incorporated in this act.

Shall be subject to all the provisions of law.

SECTION 3. The aforesaid Hickerson Roller Mill company, their heirs and assigns shall enjoy the privilege granted in this act for a term of fifteen years.

Franchise to run 15 years.

SECTION 4. The right to alter, amend or repeal this act is hereby reserved.

SECTION 5. This act shall take effect and be in force from and after its passage and publication.

Approved March 29, 1895.
