## CHAPTER 225.

AN ACT to amend section 1319 of the statutes of 1898 relating to county aid in building or repairing bridges.

*The people of the state of Wisconsin represented in senate and assembly do enact as follows:*

**County aid in building and repairing; limitation. SECTION**

1. Section 1319 of the statutes of 1898 is hereby amended by striking out the words "one-fourth" where the same occur in the seventh line of said section and inserting in lieu thereof the words "one-eighth" and by inserting between the words "town" and "shall" where the same occur in the fourteenth line of said section, the words "and the commissioners hereinafter provided for," and by striking out the words "two mills" where the same occur in the twenty-ninth line of said section and inserting in lieu thereof the words "one mill," so that said section when so amended shall read as follows: Section 1319. Whenever any town board shall file its petition with the proper county board setting forth the fact that said town has voted to construct or repair any bridge wholly or partly within such town, designating as near as may be the location of such bridge, and further stating that such town has provided for the payment of one-half of the cost of such construction or repairs and that the cost of such bridge or repairs or each bridge exceeds one-eighth of one per centum of all the taxable property in said town according to its last equalized valuation, the said county board shall appropriate the other half of such cost and cause such sum to be levied upon the taxable property of the county as will, with the amount provided by said town, be sufficient to defray the expense of erecting or repairing each bridge so petitioned for, and such money, when collected, shall be paid out on the order of the chairman of the county board and county clerk whenever the said town board and the commissioners hereinafter provided for shall notify them that the work has been completed and accepted. The county board shall, at the time of acting upon such petition, designate two of its members who shall act as its commissioners and who shall co-operate with the board of such town; and such board and the said commissioners shall have full charge and authority to act in the

letting, inspecting and acceptance of the work; provided, that nothing herein contained shall be construed to prohibit any county board from constructing or repairing any bridge in its county if it shall so desire; and if the whole of the cost of the construction or repairs of any bridge or bridges is to be borne by any county, or any county shall arrange with such town so as to assume and have exclusive charge of such work, then the county board may direct the letting, inspecting and acceptance of such work in such manner as it may deem proper; provided, that nothing herein contained shall authorize the levy of any tax upon the property in any city or incorporated village that maintains its own bridges, and as to any such city or village this section shall not apply; provided further, that no more than one mill on the dollar of the equalized valuation of the property in any county shall be levied for the aforesaid purpose and for all other county bridges in any one year, and that no order shall be drawn on account of such levy except upon the certificate of the county treasurer that the money produced by said levy has come to his hands to pay such order.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.

Approved May 9, 1903.
