

booms except upon lands now owned or that may hereafter be acquired by the said Wausau Lumber company, its successors or assigns.

Amendment and repeal reserved. SECTION 4. The right to amend or repeal this act at any time is hereby expressly reserved.

SECTION 5. This act shall take effect and be in force from and after its passage and publication.

Approved May 15, 1907.

No. 753., A.]

[Published May 17, 1907.

CHAPTER 99.

AN ACT to amend section 1, chapter 43, laws of 1903, making the same section 1494aa, statutes of 1898, relating to standard measure for the use of the Babcock test in determining butter fat in milk and cream.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Section 1, chapter 43, laws of 1903, is amended and made a section of the statutes of 1898, to read:

* * * * *
Approved May 15, 1907.

(In effect July 1, 1907.)

facturer who shall knowingly use or allow any other person to use for the benefit of himself or any other person than he who is entitled to the benefit thereof any milk or cream from the milk brought to him, without the consent of the owner thereof, or who shall refuse or neglect to keep or cause to be kept a correct account (which shall be open to the inspection of any person furnishing milk to him *and to the dairy and food commissioner of this state, his chemists, assistants, inspectors and agents*) of the amount of milk daily received, or of the number of pounds of butter, and the number and aggregate weight of cheese made by him each day, or of the number of cheese cut or otherwise disposed of and the weight of each, shall * * * *be guilty of a misdemeanor and upon conviction be punished by a fine not less than twenty-five dollars nor more than one hundred dollars, or by imprisonment in the county jail not less than ten days nor more than sixty days.*

(Ch. 306, 1907.)

Babcock milk and cream test: samples; paying check.

SECTION 1494aa. 1. In the use of the Babcock test, the standard milk measures or pipettes shall have a capacity of 17.6 cubic centimeters, and the standard test tubes or bottles for milk shall have a capacity of 2 cubic centimeters for each 10 per cent. marked on the necks thereof; cream shall be tested by weight and the standard unit for testing shall be 18 grams, and it is hereby made a misdemeanor to use any other standards of milk or cream measure where milk or cream is purchased by or furnished to creameries or cheese factories and where the value of said milk or cream is determined by the per cent. of butter fat contained in the same, or wherever the value of milk or cream is determined by the per cent. of butter fat contained in the same by the Babcock test.

2. *In sampling cream or milk from which composite tests are to be made to determine the per cent. of butter fat contained therein, no such sample or sampling shall be lawful unless a sample be taken from each weighing and the quantity thus used shall be proportioned to the total weight of the cream or milk tested.*

3. *Every person, corporation or company operating a creamery when using the Babcock test as a standard to determine the value of any milk or cream received or bought by such person, corporation or company to be manufactured into butter, shall,*

when paying for such milk or cream, include in every statement or check issued to any patron in payment thereof a statement of the number of pounds of butter fat and the number of pounds of butter made for the period of time for which payment is made.

(Ch. 99, 1907.)

University farmers' institutes mandatory; maximum expense. SECTION 1494b. The board of regents of the state university * * * shall hold, at such times and places as they * * * may determine, institutes for the instruction of the citizens of this state in the various branches of agriculture; the instruction given thereat shall be such as to present the results of the most recent investigations and experiments in theoretical and practical agriculture. They may make such rules and regulations as may be deemed proper for organizing and conducting such institutes and may employ an agent or agents to perform such work in connection therewith as they may direct. There shall not be used in any one year more than * * * *twenty* thousand dollars in paying the expenses of, and such as are incident to, such institutes, which sum shall be payable from the general fund.

(Ch. 318, 1907.)

University correspondence teaching. SECTION 1494j. 1. The board of regents of the university are authorized to carry on educational extension and correspondence teaching.

Annual appropriation. 2. There is annually appropriated the sum of twenty thousand dollars for carrying out the purpose of this act.

(Ch. 413, 1907.)

Agricultural experiment station: annual appropriation and report. SECTION 1494m. 1. There is * * * appropriated to the Wisconsin agricultural * * * *experiment* association out of any money in the treasury not otherwise appropriated, the sum of * * * *two* thousand dollars annually.

2. The money so appropriated shall be used in securing and testing new and improved varieties of seeds and plants, securing and testing fertilizers, studying the best methods of cultivation and feeding crops and in general advancing the agricultural interests of the state.
