

Monday of September in each year, until such loan be paid, transmit to the secretary of state a statement certified by him of the valuation of all taxable property belonging to that part of such district which lies in his town according to the last assessment roll, or, if the same shall have been equalized as provided in section 471, such equalized valuation thereof. The secretary of state shall in every year furnish to the county clerk of each county in which lies any school district or part of district from which any such payment is to become due the amount to be levied upon such district, or, if a joint district, upon each such part of such district as lies in any town in such county, at the same time that he furnishes that officer a statement of the state tax. In apportioning such tax to the parts of a joint school district lying in separate towns the secretary of state shall take, as the true valuations, the valuations of the taxable property stated in the application for such loan, until amended by the certified statements aforesaid of the town clerks of all the towns in which such joint district lies. The county clerk, on receiving such statement, shall include the amount due from such district or part of district in his apportionment of state taxes to the town; but it shall be carried out in a separate column, and the district from which it is due shall be specified. The town clerk shall charge and carry out such amount on his tax roll to the district or part of district to which it belongs in a separate column, and the tax shall be collected and paid over with and in the same manner as the state tax.
