CHAPTER 377.

AN ACT to create sections 4918—11 to 4918—15, inclusive, of the statutes, providing for the completion of the equipment and the management of a binder twine plant at the state prison, and making an appropriation therefor.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. There are added to the statutes five new sections to read: Section 4918—11. There is hereby appropriated out of any moneys in the state treasury, not otherwise appropriated, the sum of fifty thousand dollars for completing the equipment of the binder twine plant at the state prison. There is also hereby appropriated, out of any money in the state treasury, not otherwise appropriated, the sum of two hundred thousand dollars, to be available from and after the first day of January, 1912, and two hundred thousand dollars to be available from and after the first day of January, 1913, for use as a revolving fund, in the operation of the binder twine factory in the state prison.

Section 4918—12. The amount of the appropriation, constituting said revolving fund, shall be used by the state board of control of charitable, reformatory and penal institutions, for the purpose of purchasing raw material to be used in the manufacture of twine and cordage, and for the purpose of carrying, handling and marketing the manufactured product of said plant, under the rules and regulations prescribed by said board of control. The said board shall make such rules and regulations for conducting the said binder twine factory as it deems advisable.

Section 4918—13. 1. All moneys derived from the sale of the manufactured product shall be collected by the warden of the state prison, or such person or persons as are designated by him, and said warden shall weekly pay the same into the state treasury to the credit of the revolving fund created by this act, which remittance to the state treasurer shall be accompanied by a schedule showing the amount or amounts received from each person or persons, and giving the name and residence of each person or persons. The state treasurer shall carry as a separate account upon the books of his office, said revolving fund and all accounts and items pertaining thereto, which fund shall be used for the payment of warrants drawn upon the same by the secretary of state, as required by said board of control.

(Am. 1911, c. 664, s. 58.)

2. Whenever said revolving fund shall exceed the sum of four hundred thousand dollars, such excess shall, by said treasurer, be transferred to the general fund of the state.

Section 4918—14. Before said binder twine factory shall start operation, the warden of the state prison shall give a good and sufficient bond to the state of Wisconsin, in the penal sum of fifty thousand dollars, conditioned for the faithful performance of such additional duties, devolving upon such officer as herein prescribed, and to faithfully and promptly account for and pay over all moneys which may come into his possession from the sale of the manufactured product of said binder twine factory and from all other sources, which bond shall be approved by the governor and filed with the secretary of state. If the warden shall furnish a bond with a surety company or companies, authorized to do business in this state, the state shall pay out of the funds thereof, the cost of said bond, and there is hereby appropriated out of any moneys in the state treasury, not otherwise appropriated, a sum sufficient to carry out the provisions of this section, not to exceed the sum of two hundred and fifty dollars.

Section 4918—15. The price of the binding twine and cordage manufactured in said binder twine factory shall be fixed by the state board of control and the warden of the state prison, and the price so fixed may be changed at any time by said board and the warden of the state prison, when conditions warrant said board of control and warden in changing the price. The product of said binder twine plant shall be sold at such times and places, and in such manner as the said board of control and the warden of the state prison shall determine to be for the best interests of the state; provided, that the citizens of the state shall have the preference in purchasing said products of said plant.

SECTION 2. All acts or parts of acts in conflict herewith are hereby repealed.

SECTION 3. This act shall take effect and be in force from and after its passage and publication.

Approved June 15, 1911.

CHAPTER 378.

AN ACT to amend section 4390 of the statutes, relating to doors that shall swing outward and to fire-escapes.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Section 4390 of the statutes is amended to read: Section 4390. Every building now or hereafter used, in whole
