CHAPTER 78.

AN ACT to amend section 2261 of the statutes, relating to form of surveyors certificates to entitle maps or plats to record.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. That paragraph designated "second" of section 2261 of the statutes is amended to read: (Section 2261.) Second. On the *face or back* of every such map offered for record shall appear and be written the certificate of the surveyor who surveyed and mapped the land, which certificate shall contain:

1. A clear and concise description of the land so surveyed by legal government subdivisions when practicable; or, if the land so surveyed is a lot, block, or other subdivision of a town, city, or village plat or addition thereto, then by the number or other description of such lot, block, or other subdivisions; otherwise by metes and bounds, starting such description from some corner established in the government survey or from some corner of a subdivision of a section used and recognized by the United States in the sale of the public lands, giving the town, range, section, and county wherein such corner is situated.

2. By whose order and direction he made the survey and map.

3. That the map is a correct representation of all the exterior boundaries of the land surveyed and of the divisions thereon made.

4. That he has fully complied with the provisions of this chapter in surveying, subdividing, and mapping the same.

SECTION 2. This act shall take effect and be in force from and after its passage and publication.
