## CHAPTER 81.

AN ACT to create subsection 4 of section 762 of the statutes, providing for new tract indices.

*The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:*

SECTION 1. There is added to section 762 of the statutes a new subsection to read: (Section 762.) 4. Whenever in the judgment of the county board of any county any existing tract index or indices become unfit for use, because of mistake therein or of imperfection in or insufficiency of plan, or because of becoming worn, overcrowded, or unserviceable or unreliable for any reason, the county board may, at any meeting thereof, by resolution, order a new and corrected set of tract indices arranged and compiled according to such plan as it may authorize, and in that behalf may purchase suitable books and receive bids and contract with any competent person to do said work, at a price not exceeding five cents per folio, which shall be paid out of the county treasury on acceptance of said work by the county board. The person contracting to do said work, and his assistants, shall have access to and be entitled to the use of the old tract indices and other records in the register's office and other county records; and when said work is completed and said new tract indices are approved and adopted by the county board, the old tract indices shall be preserved as provided in section 690 of
