CHAPTER 375.

AN ACT to amend subsections (1) and (4) of section 59.97 of the statutes, relating to zoning by counties in territory outside of the limits of incorporated villages and cities.

The people of the State of Wisconsin, represented in Senate and Assembly, do enact as follows:

SECTION 1. Subsections (1) and (4) of section 59.97 of the statutes are amended to read: (59.97) (1) The county board of any county may by ordinance regulate and restrict the location of trades and industries, and the location of buildings designed for specified uses, and establish districts of such number, shape and area, and may also establish set-back building lines, outside the limits of incorporated villages and cities, as such

county board may deem best suited to carry out the purposes of this section. For each such district, regulations may be imposed designating the trades or industries that shall be included or subjected to special regulations and designating the uses for which buildings may not be erected or altered, provided, however, that the said county board shall before it adopts such ordinance or ordinances, submit the same to the town board or town boards of the town or towns in which may be situated any lands affected by such ordinance, and thereupon obtain the approval of said town board or town boards, so far as the same affects the lands in such town or towns, and in like manner any and all ordinances, which may amend any ordinance, which have been adopted as herein provided, shall be submitted to the said town boards and their approval obtained before the same shall be adopted by the county board. Such ordinance or amendments thereto may be adopted as to such town or towns which shall have given their approval thereto.

(4) *The county board shall prescribe such rules and regulations as it may deem necessary for the enforcement of the provisions hereof and of all ordinances enacted in pursuance thereof. Such rules and regulations and the districts, set-back building lines and regulations specified in subsection (1) shall be prescribed by ordinances which shall be * * * designed to promote the public health, safety and general welfare. Such ordinances shall be enforced by appropriate fines and penalties. Compliance with such ordinances may be also enforced by injunctive order at the suit of such county or the owner or owners of such real estate within the district affected by such regulation. Such ordinances shall not prohibit the continuance of the use of any building or premises for any trade or industry for which such building or premises are used at the time such ordinances take effect, or the alteration of, or addition to, any existing building or structure for the purpose of carrying on any prohibited trade or industry within the district where such buildings or structures are located.*
