(30) **COMPENSATION FOR IMPRISONMENT OF INNOCENT PERSONS.** For compensation to prisoners who have served terms of imprisonment upon conviction for an offense or crime against the state of which they are innocent, as provided in section 285.05, such sums as may be necessary to pay the awards of the board created by said section, when certified to the secretary of the state by said board.

* * * (31) **WITNESS FEES OF PRISONERS.** All moneys received in reimbursement of expenses incurred in taking inmates of state institutions into court pursuant to section 292.45 shall be paid within one week after receipt into the general fund and are appropriated therefrom to the institution incurring such expense and are added to the appropriation for operation of such institution.

(33) **USE OF SURPLUS APPROPRIATIONS.** * * * Any amounts appropriated for construction, land, equipment or permanent property and improvements at an institution under section 20.17 of the statutes, not needed for the original purpose, may, with the consent of the governor, be added to any one or more of the other specific capital appropriations at the same institution, provided that the provisions of this subsection shall only be applicable to appropriations made for specific capital purposes.

45.278 **REHABILITATION FUNDS TO BOARD OF CONTROL.** Any moneys in the soldiers' rehabilitation fund which, in the opinion of the board in charge of this fund, will not be

needed for carrying out the provision of sections 45.27, 45.271, 45.275 and 45.276 may be transferred to the state board of control for the purpose of augmenting the facilities for the care of patients at the Wisconsin memorial hospital. Whenever such moneys are transferred to the state board of control, the same shall be credited to the appropriation made by paragraph * * * (c) of subsection * * * (5) of section 20.17.

(46.03) (10) The state board of control may give such instruction in occupational therapy or vocational training at such institutions under its control as it shall deem wise; such instruction shall consist of vocational advice and technical training necessary for the proper qualifications of the inmates of such institutions for present and future usefulness.

(46.05) (2) The salaries of the officers of said institutions, if not otherwise fixed by law, shall be fixed by the board of control * * *. The steward of each institution shall execute and file an official bond in such sum and with such sureties as said board may prescribe. Said board shall also require any other officer or other person having the possession or custody of any money or property belonging to the state or any institution under its control or supervision to give an official bond, and from time to time to renew the same.

(47.08) (9) On the first day of January, in each year, the county treasurer of each county shall certify under oath, in duplicate, to the secretary of state and to the state board of control, the amount paid out by each county under the provisions of this section, and if the board of control shall approve the same and shall cause its approval to be endorsed by the president and secretary of said board on the certificate received by the secretary of state, the secretary of state shall credit such county with one-third of the amount so certified on the state taxes next due therefrom, and the state treasurer shall credit such county with said one-third of such amount in his annual settlement with said county for taxes due the state. If the total amount due all counties shall exceed the sum appropriated by subsection * * * (28) of section 20.17, the same shall be prorated among the various counties.

(48.33) (10) On the first day of January of each year the county treasurer shall certify under oath, in duplicate, to the secretary of state and the state board of control the amount paid out by such county during the preceding year for aid

under this section and section 48.331, and if the board of control shall approve the same and shall cause its approval to be indorsed by the president and secretary of said board on the certificate received by the secretary of state, the secretary of state shall credit one-third of the amount so certified to be due such county on the state taxes next due therefrom, and the state treasurer shall credit such county with said one-third of such amount in his annual settlement with said county for taxes due the state; provided, that the amount paid by the state to any county in any one year shall not exceed a sum equal to one dollar for each thirty inhabitants thereof; provided, further, that if the total amount paid by all the counties under this section and section 48.331 as certified by the county treasurers shall exceed the sum appropriated by subsection * * * (25) of section 20.17, the secretary of state and the state treasurer shall prorate the said sum among the various counties according to the amount paid out.

(49.37) (3) On the first day of January of each year the county treasurer shall certify under oath, in duplicate, to the secretary of state and the state board of control, the amount paid out by such county during the preceding year for old-age pensions, and if the board of control shall approve the same and shall cause its approval to be indorsed by the president and secretary of said board on the certificate received by the secretary of state, the secretary of state shall credit one-third of the amount so certified to be due such county on the state taxes next due therefrom, and the state treasurer shall credit such county with said one-third of such amount in his annual settlement with said county for taxes due the state; provided, that if the total amount payable to all the counties under this section, as certified by the county treasurers, shall exceed the sum appropriated by subsection * * * (29) of section 20.17, the secretary of state and the state treasurer shall prorate the said sum among the various counties according to the amount paid out.

SECTION 2. This act shall take effect upon passage and publication.
