JOINT RESOLUTION

Relating to pensions for Spanish-American War veterans and the disabled veterans of the World War.

WHEREAS, The National Economy Act (Public Law No. 2, 73rd Congress, 1st Session) cut off from all allowances by the federal government all disabled veterans of the Spanish-American War, the Boxer Rebellion, the Philippine Insurrection and the World War who cannot establish that their disabilities resulted from war service; and

WHEREAS, This is particularly unjust in the case of the veterans of the Spanish-American War, the Boxer Rebellion and the

Philippine Insurrection because no adequate hospital records were kept during these wars, so that it is practically impossible for veterans of these wars, although disabled in service, to establish this fact; and

WHEREAS, Under this act many hundreds of thousands of disabled veterans will on July 1 be cut off from the federal pension rolls and thereafter receive no allowances whatsoever from the federal government; and

WHEREAS, Many of these veterans are incapacitated to such an extent that they cannot possibly get along without help from some source; and

WHEREAS, This act of the federal government will increase immensely the relief burden of the county and local governments; therefore, be it

Resolved by the Assembly, the Senate concurring, That the legislature of Wisconsin respectfully memorializes the Congress of the United States to reconsider its action on the elimination from the federal pension rolls of disabled veterans of the Spanish-American War, the Boxer Rebellion, the Philippine Insurrection and the World War, and that it amend this legislation so that disabled veterans will receive allowances adequate to their support. Be it further

Resolved, That properly attested copies of this resolution shall upon adoption be sent to both houses of the Congress of the United States and to each Wisconsin member thereof.
