JOINT RESOLUTION

Relating to the increased use of Wisconsin dairy products.

WHEREAS, The present very distressed condition of the Wisconsin farmers is due primarily to the low prices of milk and dairy products; and

WHEREAS, This low price of milk and dairy products in turn is due to the decreased consumption and weak demand; and

WHEREAS, At present prices, milk and dairy products are the cheapest, as well as the most wholesome, of foods; and

WHEREAS, Nothing would help the farmers so much as increased consumption of milk and dairy products; therefore, be it

Resolved by the Assembly, the Senate concurring, That the legislature of Wisconsin urges all of the people of this state to use more milk and dairy products in their diets, and also urges all state departments, chambers of commerce, and organizations of farmers and businessmen to do everything possible to promote

the increased consumption of Wisconsin dairy products. Be it further

Resolved, That the legislature particularly urges the co-operative associations of the state to concentrate their efforts upon promoting the wider consumption of milk, butter, cheese, and other dairy products, as this is a definitely constructive way in which they can really improve the situation of the farmers of this state.

JOINT RESOLUTION

Relating to the use of dairy products in public relief administration.

WHEREAS, A number of the relief authorities in this state supply peanut butter and even lard in lieu of butter to families on relief lists; and

WHEREAS, There is no material saving in the use of peanut butter in lieu of butter, and this detrimentally affects the dairy industry of the state; therefore, be it

Resolved by the Assembly, the Senate concurring, That the legislature hereby requests all public relief authorities to supply genuine butter to families and individuals on relief lists instead of substitutes therefor.
