If upon such hearing the commission finds that the public safety will be promoted by said highway relocation, improvement or new construction, the commission shall order the old crossings closed and new crossings opened as are deemed necessary for public safety; and shall order the railroad company or companies to pay to the interested municipality or municipalities such sum as the commission finds to be an equitable portion of the cost of the highway relocation, improvement or new construction, if the work is performed by the municipalities; or to the state treasurer if the work is performed by the state; or to the proper county treasurer if the work is performed by the county. Said sum shall be added to the joint fund available for the improvement and may be expended in like manner as the other portions of said fund.
