**CHAPTER 132.**

AN ACT to create 192.266 of the statutes, relating to the installation of head and rear lights on track motor cars operated by railroads.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

192.266 of the statutes is created to read:

192.266 LIGHTS ON TRACK MOTOR CARS. It shall be unlawful after July 1, 1950, for any person, firm or corporation operating or controlling any railroad running through or within the state to operate or use in motion any track motor car during the period from 30 minutes after sunset to 30 minutes before sunrise, which is not equipped with an electric headlight either portable or fixed of such construction and with sufficient candle power to render plainly visible at a distance of not less than 200 feet in advance of such track motor car any track obstruction, landmarks, warning sign or grade crossing and which is not further equipped with a red rear electric light or reflector.

Approved May 18, 1949.
