**CHAPTER 360.**

AN ACT to amend and revise chapter 20 and to make divers other changes in the statutes and session laws relating to state finances and appropriations, constituting the executive budget bill of the 1949 legislature, and making appropriations.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

SECTION 1. 20.01 (20) of the statutes is amended to read:

20.01 (20) Annually, beginning July 1, \* \* \* 1949, to the joint survey committee on retirement systems, \* \* \* \$3,000 to carry out the provisions of section 13.40.

SECTION 2. 20.02 (11) of the statutes is repealed.

SECTION 3. 20.02 (1), (8) and (13) (a) of the statutes are amended to read:

20.02 (1) \* \* \* Annually, beginning July 1, \* \* \* 1949, \$65,900 for the execution of his functions. \* \* \* *The annual salary of the governor shall be \$10,000.*

\* \* \* The lieutenant governor when acting as governor because of the temporary absence or temporary disability of the governor, *shall receive* additional compensation at the rate of \$5 per day; when acting as governor because of a vacancy in the office of governor created by the happening of any contingency specified in section 17.03, *he shall receive* an annual salary of \$6,000 together with all the other rights, privileges and emoluments of the office of governor. The annual salary of \$6,000 paid in such instance shall be in lieu of all other compensation provided for the lieutenant governor. \* \* \* *The governor shall be entitled to his expenses and \* \* \* any expenses in connection with any and all conferences of governors, as prescribed in section 14.24. Of this appropriation there is allotted for the following purposes:*

	1949-1950	1950-1951
<i>Personal services</i> .....	\$60,996	\$60,996
<i>Materials and expense</i> .....	4,754	4,754
<i>Capital outlay</i> .....	150	150

(8) Annually, beginning July 1, \* \* \* 1949, \$30,000 for the execution of the functions under sections 15.50 to 15.53. \* \* \* *The annual salary of the director shall be fixed by the governor. Of this appropriation there is allotted for the following purposes:*

	1949-1950	1950-1951
<i>Personal services</i> .....	\$24,800	\$26,275
<i>Materials and expense</i> .....	3,475	3,475
<i>Capital outlay</i> .....	1,725	250

(13) (a) As a nonlapsible appropriation, beginning on the effective date of this act, at the beginning of each month an amount equal to one-half of the tax collected during the preceding month under section 139.26 reduced by one-half of such taxes refunded during the preceding month *subject to the provisions of section 139.28*, as certified to the director

of budget and accounts by the \* \* \* *director of taxation*, to the Wisconsin veterans' housing authority for allocation by that department to county veterans' housing authorities organized under the provisions of section 66.39 and city housing authorities organized under sections 66.40 to 66.404, to assist such authorities in providing housing for veterans and their families. Allotments from this appropriation shall be made on the basis of 10 per cent of the total cost to the housing authority of the land, improvements and dwelling unit or units located thereon as determined by the Wisconsin veterans' housing authority and actual payments of allotments shall be at such times as the Wisconsin veterans' housing authority shall determine. In computing such total cost an equivalent amount shall be included for any and all contributions, either in cash or otherwise, as may have been received by the authority in connection with the particular veterans' housing project. All allotments shall be made upon written application in form prescribed by the Wisconsin veterans' housing authority.

SECTION 4. 20.02 (10) of the statutes is created to read:

20.02 (10) SELECTIVE SERVICE ADMINISTRATION. Annually, beginning July 1, 1949, \$500 for meeting necessary expenses in connection with the administration of the selective service system in Wisconsin.

(1) Annually, beginning July 1, 1949, \$85,000 for the execution of its functions under sections 25.15 to 25.17, inclusive. At the end of each fiscal year, the general fund

shall be reimbursed, from the income of the several funds under the control of the state annuity and investment board. or through the provisions of 25.17 (4) and (5), the amount actually expended under this appropriation for the cost of making the investments and for the supervision of the loans and securities of such funds. The state annuity and investment board shall bill the several funds at the end of each fiscal year for the costs incurred under this appropriation, in accordance with proper cost records maintained by said board for the investment expenses chargeable to each respective fund.

SECTION 109. 20.727 of the statutes is created to read:

20.727 ANNUITY AND INVESTMENT BOARD; TEACHERS' RETIREMENT SYSTEM. There is appropriated from the interest earnings of the funds of the state retirement system, defined in 25.28, to the state annuity and investment board:

(1) On July 1, 1949, \$63,000, and annually, beginning July 1, 1950, \$67,000 for the administration of sections 42.20 to 42.54.

(2) Annually, beginning July 1, 1949, such sums as may be necessary to reimburse the general fund for amounts actually expended and the cost of services rendered under 20.725 (1), in making the investments and supervising the loans and securities for the state retirement system.

SECTION 110. 20.725 (4) of the statutes is renumbered to be 20.727 (3).

SECTION 111. 20.74 (1) of the statutes is amended to read:

20.74 (1) Annually, beginning July 1, \* \* \* 1949, \$500,000 to be used to supplement appropriations which shall prove insufficient because of unforeseen emergencies, or to supplement appropriations which shall prove insufficient to accomplish the purposes for which made, or to supplement capital outlay for any state agency for whom no capital outlay has been provided, or for allotment to any board, department, commission or institution to which a federal project has been granted, for the payment of actual and necessary expenses of members other than the governor in attending meetings of the board, and for cost of postage, office supplies, telegrams, telephone, and other miscellaneous expense not to exceed \$250. Allotments from this appropriation shall be made as \* \* \* provided in section 14.72; provided, that the governor may allot sums not in excess of \$1,000 to any department when necessary, without a meeting of the board. Not to exceed \$250,000, annually, may be allotted by the emergency board to any state activity to which a federal project has been granted. All allotments made by the emergency board or by the governor in an emergency shall be certified to the director of budget and accounts, and expenditures therefrom shall be shown in the state budget report as an additional cost of the department, board, commission, or institutions or activities to which such allotments were made.

SECTION 112. 20.74 (3) of the statutes is created to read:

20.74 (3) On July 1, 1949, \$500,000, and on July 1, 1950, \$500,000 to be used to supplement appropriations under sections 20.34, 20.35, 20.38 and 20.41 which shall prove insufficient because of unforeseen emergencies, or to supplement appropriations which shall prove insufficient to accomplish the purposes for which made. Allotments from this appropriation shall be made as provided in section 14.72.

SECTION 113. 20.746 of the statutes is amended to read:

20.746 (1) As an emergency measure necessitated by decreased state revenues and to prevent the necessity for a state tax on general property, the emergency board is authorized to reduce any appropriation made to any board, commission, bureau, department, the university or to any other state agency or activity for the fiscal years ending June 30, \* \* \* 1949, and June 30, \* \* \* 1950, by such amount as it deems feasible, not exceeding 25 per cent of the appropriations for these years made or continued by this legislature in its regular session of \* \* \* 1949, except appropriations made by section 20.07 (2) (a) and sections 20.18, 20.25, 20.27, 20.434 and 20.49 or any other moneys distributed to any county, city, village, township or school district. Appropriations of receipts and of a sum sufficient shall for the purposes of this section be regarded as equivalent to the amounts expended thereunder in the fiscal year which ended June 30, \* \* \* 1949. It is the intent of this section that all functions of said departments shall be continued in an efficient manner, but because of the uncertainties of the existing situation it is necessary that no public funds be expended or obligations incurred unless there shall be adequate revenues to meet the expenditures therefor. For such reasons the emergency board shall, if it deems it necessary, make such reductions of such appropriations as in its judgment will secure sound financial operations of the government for said departments and at the same time interfere least with their services and activities.

(2) No reduction in any such appropriation shall be made under authority of this section until after an opportunity to be heard is given, in writing or through publication in the official state paper, to the department, board, commission, bureau or university to

whom such appropriation is made \* \* \*. Any reduction in appropriations determined upon shall be communicated to the department, board, commission, bureau or university affected, and to the director of budget and accounts. Thereafter the director of budget and accounts shall not release and shall not draw his warrant in payment of any amount exceeding the reduced appropriations.

SECTION 114. 20.90 (2) of the statutes is amended to read:

20.90 (2) *There is appropriated annually, beginning July 1, 1947, from the respective funds from which state employes' and appointed state officers' salaries are paid such sums as may be necessary to make the municipality contributions to be made by the state of Wisconsin pursuant to section 66.905 (1) (a), except that:*

*(a) Effective with employe earnings beginning July 1, 1949, from the general fund, all contributions by the state of Wisconsin pursuant to section 66.905 (1) for employes of self-supporting or revolving activities of the general fund shall be charged to such respective self-supporting or revolving appropriations from which the salaries of the employes are paid.*

*(b) Effective with employe earnings beginning July 1, 1949, from the respective appropriations in sections 20.49 and 20.495 of the highway fund, all contributions by the state of Wisconsin pursuant to section 66.905 (1) shall be charged to the respective appropriations from which the salaries of the employes are paid.*

*(c) The employe contributions by the state of Wisconsin for employes of the conservation commission, which may have been made prior to the effective date of this amendment (1947), and which shall be made hereafter, shall be charged to the respective appropriations from the conservation fund from which the salaries of the employes were or shall be paid.*

SECTION 115. 27.01 (9) of the statutes is repealed.

SECTION 116. 35.305 of the statutes is repealed.

SECTION 117. 35.91 of the statutes is amended to read:

35.91 The director of purchases shall, from time to time, file in his office a statement of the number of copies of each book, report, or other document printed for the state by the state printer which he is required to reserve for future distributions according to law; also a statement of the cost, exclusive of the author's and other editorial work, of each such publication. The estimated cost of Wisconsin Statutes shall not include any cost of revision or of annotating. He may sell, at said cost price, to any person any such publication out of any surplus on hand beyond the reservation so required, *except that the Wisconsin Statutes shall be sold at \$10 per copy.*

SECTION 118. 73.01 (5) (c) of the statutes is amended to read:

73.01 (5) (c) The board shall upon the request of any party to a matter pending before it, or of any officer of the state government, or may upon its own motion, order that all proceedings in a matter pending before it be reported by a stenographer, and the expense thereof shall be paid by the state out of the appropriation for the board. The board may contract for the report of such proceedings and may supply copies of the transcript of the proceedings to anyone requesting the same at the expense of the person making such request. *All moneys received by the board from the sale of transcripts of testimony and proceedings shall be paid into the state treasury within one week after receipt.* If no party to a matter pending before the board requests that the proceedings held with respect thereto be reported, and the board does not so order upon its own motion, all parties shall be deemed to have waived all rights of appeal to the courts upon questions as to the admission or exclusion of evidence, or as to whether a finding of the board is warranted by the evidence. The right of appeal upon questions of law raised by the pleadings or by facts stipulated or shown by the findings of the board shall not be deemed to be waived.

SECTION 119. 85.08 (12) (e) of the statutes is amended to read:

85.08 (12) (e) Whenever an examination shall be conducted by any police department or sheriff's department pursuant to this subsection, the fee paid pursuant to subsection (18) by the person so examined shall be transmitted to the motor vehicle department but the state shall reimburse the municipality or county whose department conducted such examination, 75 per cent of such fee for the cost of conducting the examination. The motor vehicle department shall certify to the \* \* \* *director of budget and accounts* amounts due municipalities and counties under this paragraph and the \* \* \* *director of budget and accounts* shall draw his warrant in favor of the municipality or county for the amount certified and charge same to the proper appropriation under section 20.052 (2a) \* \* \*.

SECTION 120. 114.34 of the statutes is amended to read:

114.34 (1) The costs of projects under the federal airport act, in excess of the federal government's share, shall be borne by the sponsor and the state \* \* \*, *except that the state shall pay not more than one-half of such excess costs and no part of the cost of buildings or building improvements.* Subject to the limitations set out in section 114.35, a sponsor who has secured approval of a project application prior to August 23, 1947 shall be entitled to state aid in accordance with this section.

(2) The costs of projects not under the federal airport act shall be borne by the sponsor and the state. The state shall pay not more than one-half of such costs, which may include the cost of the land, the cost of lands or interest in lands deemed necessary for the protection of the aerial approaches, the cost of formulating the project application and preparing the plans and specifications, the cost of construction and of all facilities deemed necessary for the operation of the airport. The state shall not contribute to the cost of \* \* \* *buildings or building improvements.*

SECTION 121. 196.85 (2) (b) of the statutes is created to read:

196.85 (2) (b) The commission shall annually, within 90 days after the close of each fiscal year, ascertain the total of its expenditures during such year which are reasonably attributable to the performance of its duties relating to railroads, as defined in section 195.02, under chapters 184, 190, 191, 192, 193, 195 and 196, and shall deduct therefrom all amounts chargeable to railroads under subsection (1) of section 196.85 and subsection (2) of section 184.10. The remainder shall be assessed by the commission to the several railroads in proportion to their respective gross operating revenues during the last calendar year, derived from intrastate operations. Such assessment shall be paid within 15 days after bill has been mailed, by registered mail, to the several railroads, which bill shall constitute notice of said assessment and demand of payment thereof. When paid said assessment shall be credited to the appropriation made in subsection (4) of section 20.51. The total amount which may be assessed to the railroads under authority of this subsection, shall not exceed two-fifths of one per cent of the total gross operating revenues of such railroads, during such calendar year, derived from intrastate operations.

SECTION 122. 196.85 (2) is renumbered to be 196.85 (2) (a).

SECTION 123.
