27.02 (1) of the statutes is amended to read:

27.02 (1) In every county having a population of at least 150,000, and in any other county wherein the county board has by resolution provided for a county park commission subject to the provisions of ss. 27.02 to 27.06, which any county board is empowered to do, the chairman of the county board shall appoint a county park commission consisting of 7 members, *one of which may be a member of the county board*. Such appointments shall be made in writing and filed in the office of the county clerk. The term of each member shall be the 7 years next following July 1 of the year in which his appointment is made and until the appointment and qualification of his successor, except that the first 7 members shall be appointed respectively for such terms that on July 1 in each of the 7 years next following the year in which they are appointed the term of one member will expire. After such original appointment one commissioner shall be appointed annually in the month of June to succeed the member whose term will expire on July 1 then next following, except that in counties having a population of 150,000 or more, after this amendment (1939) such members shall be elected by the county board of supervisors.
