35.015 EXEMPT PRINTING. (1) The book printing excluded from class 3 in s. 35.01 (3) is exempt from the provisions of this chapter and such printing shall be procured under ch. 15, subch. IV.

Such reprints shall be charged to the same appropriation as the original editions.

(10) In advertising for bids, subdivide classes 2, 3 and 4, creating additional classes, or he may change printing from one class to another in advertisements, whenever he determines that further or different classification will benefit the state.

(11) Furnish the paper to be used by contract printers or, when it becomes more economical, purchase paper from contract printers.

35.04 EMPLOYES. (1) The director shall appoint such employes, including editorial staff, under the classified service as he finds necessary to perform the duties imposed upon him and, when not otherwise provided by law, prescribe their duties and fix their salaries or compensation.

LEGISLATIVE; CLASS 1 PRINTING.

35.05 PRINTING IN GENERAL, HOW ORDERED AND EXECUTED. (1) All printing of the first class shall be done at the seat of government, shall correspond to the format used in the 1959 legislative session until revised by unanimous agreement of the chief clerks of both houses and the director, and shall be charged to the legislature.

(2) Each house of the legislature may order public printing for its own exclusive use, except that it shall not procure the printing of extra copies of any book, pamphlet or other document printed by authority of law. Whenever either house requires any printing for its exclusive use and

whenever any joint action of both houses is taken requiring any printing to be done, the chief clerk of the house where such action originates, shall deliver copy to the contract printer, with an order signed by such clerk, and the contract printer shall do the printing and deliver it in the shortest possible time.

(3) At the opening of the session each chief clerk shall be provided by the director with sets of numbered printing orders and whenever such chief clerk delivers to the contract printer an order for printing, he shall immediately transmit to the director a carbon copy of such order. Each sergeant at arms may order envelopes and such office supplies as are necessary in the performance of his duties.

(4) All bills, except bills of extraordinary length, all joint resolutions, daily journals and calendars, for which copy is delivered to the contract printer by the respective chief clerks, shall be printed and delivered to the chief clerk making the order therefor by 9 a.m., except Sunday, next succeeding the day on which the order for such printing is delivered.

(6) Reports and bills of the legislative council may be ordered printed by the executive secretary when the legislature is not in session and shall be delivered as directed by him.

(7) Upon request of any interim legislative group, when approved by a vote of at least two-thirds of the membership thereof, not to exceed an additional 1,000 copies of bills (identifying the same) resulting from major research studies prepared by such legislative group shall also be ordered printed and may be distributed by such group prior to the convening of the legislature.

(8) Legislative proposals by individual legislators may upon request of the individual legislator be ordered printed by the legislative reference library when the legislature is not in session. Proposals printed pursuant to such order shall be charged to the appropriation for the legislature and shall be delivered as the legislative reference library directs. Distribution of such printed proposals shall not be made until the legislative session convenes.

(9) Additional copies of a legislative proposal may be procured by the chief clerk of the house in which the measure originated upon the passage by roll call vote of a motion setting forth the number of copies desired and concurred in by a motion with a roll call vote in the second house. If such motion does not set forth the number of copies, the chief clerk of the house in which the proposal originated shall determine the number of copies. Such motion shall be privileged.

35.07 LEGISLATIVE DIRECTORIES AND MANUALS. (1) **DIRECTORIES.** Immediately following the organization of the legislature in regular session the chief clerks shall jointly prepare and deliver to the director printer's copy for a directory of the legislature setting forth pertinent information regarding the membership of the current legislature. The director shall order the contract printer to prepare and deliver within one week after receiving the order as many copies of such directory as the chief clerks require, bound in American morocco or paper.

(2) **MANUALS.** Biennially following the adoption of the rules of procedure by each house in regular session the chief clerks of each house shall prepare and deliver to the director printer's copy for a manual of procedure for their respective houses which shall contain such matter as the house may determine and has been customarily included in such

manuals. The director shall order the contract printer to prepare and deliver as many copies as the chief clerks require, bound in American morocco or paper. The chief clerks may prepare extracts of rules which have been changed or created for insertion in existing manuals for use until the new issues are available.

(1) There shall be printed 500, or 1,000 copies of each bill or joint resolution and amendments thereto, the quantity to be determined by the chief clerk of the house in which the bill, or resolution, originates. The format shall correspond to that of the 1959 session.

(2) Except as otherwise provided in sub. (4) any bill or joint resolution, or amendments thereto, proposing an amendment to any existing statute or to the constitution shall have matter to be stricken out printed with a line drawn through the same and new matter printed in italics.

(3) Revision bills mentioned in s. 35.05 (5) may contain explanatory notes which shall be printed immediately following the sections to which they respectively relate, but such notes shall not constitute any part of the bill nor of the act if the bill shall be enacted.

(4) Subsection (2) shall not apply to:

(a) Revisor's correction bills.

(b) Appropriation sections of bills which only increase or decrease the amount of the existing appropriations.

(c) Proposals in which identical words or phrases are deleted or substituted in a chapter or series of sections if the precise chapter or sections in which the words or phrases occur are enumerated, and the revisor is directed to make the changes in printing the new statutes.

35.09 PRINTING FOR ENROLLMENT. Immediately after any bill, or any joint resolution amending the constitution, has been finally passed, and in the case of a bill, before it is presented to the governor for approval, the chief clerk of the house where such bill or resolution originated shall present printer's copy thereof to the contract printer, and the contract printer shall, as soon as possible, print and deliver 10 copies thereof upon ledger paper, one of which printed copies shall be used as the enrolled bill, or the enrolled resolution. The presiding officers shall sign, but if either fails to sign within 20 days of the date on which the proposal is first available to him for signature, the chief clerk shall process the proposal as if such signature had been affixed. The governor shall then consider and, if he approves, sign the printed enrolled bill except that the legislature may by joint resolution authorize the submission of typewritten copies to the presiding officers for signature and to the governor for consideration and signature if he approves and if the expeditious approval of the proposal is imperative. A copy shall be delivered to the revisor, 4 copies to the secretary of state, and 1,190 additional copies shall be printed on the kind of paper used for bills, 10 of which shall go to the revisor at once. Any bill or resolution so printed, except bills proposed by the revisor, shall, when amendatory, indicate omissions by asterisks and new matter by italics.

Immediately after 200 acts have become law and whenever 200 additional acts have become law, the chief clerk of the senate shall present to the printer copy for a cumulative section number and subject matter index for all acts which have become law, and the contract printer shall promptly print 1,000 copies of such index on the kind of paper used for the acts and deliver them to the senate chief clerk who shall cause them to be delivered in the same manner in which the acts are delivered to all persons entitled to receive the acts.

35.095 CHAPTER NUMBERING OF ACTS. At the time the governor approves a bill (an act) he shall give it a chapter number. The acts of a session shall be numbered consecutively commencing with 1. If a bill is passed over the governor's veto the chief clerk of the house of origin shall immediately give the bill its proper chapter number.

35.10 SENATE AND ASSEMBLY CALENDARS. Such quantities of the daily calendars as ordered by the chief clerk of each house shall be printed on calendared paper, corresponding to the format of the 1959 legislative session.

Simple resolutions and amendments and substitute amendments thereto shall be printed in full in the journal at the time of their introduction. All executive messages to the legislature, except veto messages, shall be printed in the senate journal only. Executive pardon communications or reports shall be printed in the senate journal. The report of a joint committee shall be printed in the journal of the house in which the resolution creating the committee originated. Joint resolutions and amendments to bills and joint resolutions shall not be printed in the journal except as provided in article XII, section 1 of the constitution. Copies of the daily journal of each house shall be printed and delivered by 8:45 of the morning, except Sunday, next following the session whose proceedings are printed; and after all the errors have been corrected copies of each shall be printed on white book paper. Copies of each shall be printed from day to day and be preserved for binding in book form at the end of the session. Five further copies of each shall be printed from day to day on ledger paper, 4 of them for the use of the chief clerks and one for binding in the official journal of the houses.

Within 60 days next following the close of any session of the legislature, the chief clerk of each house shall prepare and deliver to the contract printer printer's copy of all matter not already printed in its daily journal, which is required by law or by the order of such house to be printed therein; and printer's copy of matter, not already printed in either journal, which is required to be printed by joint action of the legislature, shall be prepared and delivered by the chief clerk of the house where such action originated. 400 copies shall be printed as prescribed in s. 35.11. The journals for both houses shall be bound with sheep backs and corners in separate volumes, except 5 copies printed on bond paper, which shall be bound in full sheep. The journals of regular and extra sessions may be bound together in the same volume whenever the extra session is called before the journals of the regular session have been bound; if not so bound the journals of both houses for the extra session shall be bound together.

35.13 JOURNAL INDEX. Along with the printer's copy mentioned in s. 35.12 shall be prepared and delivered by the chief clerk of each house to the contract printer printer's copy of the following matter to be incor-

Of the index matter so furnished by said chief clerks 400 copies shall be separately printed on paper corresponding with the book-form journals and, when printed, shall be annexed to the 400 copies of the final bulletins reserved for binding pursuant to s. 35.14; and the whole shall be bound as a separate volume in the same style as the journals, as an index thereto. The indexing clerks of the 2 houses shall co-operate in developing a uniform index.

35.14 WEEKLY BULLETINS. (1) As soon as possible after the close of the last session of each week, beginning with the third week of the session, all the entries during that week in the journal of each house shall be abstracted by the chief clerk thereof, whereupon each chief clerk shall deliver to the other a copy of so much of his abstract as relates to matter originating in the other house, for incorporation in the other's abstract.

(2) The abstracts shall be delivered to the contract printer as soon as completed, and the contract printer shall incorporate the same with matter previously published as aforesaid, and print and deliver not later than 2 hours before the time fixed for reconvening of the legislature, 800 copies of a wire-stitched pamphlet containing both bulletins.

(3) Within 10 days after final action has been taken by the governor on all measures, the chief clerks shall order the publication of 800 copies of the final bulletin.

(4) Whenever the legislature adjourns for more than 30 days and when it adjourns sine die the chief clerks shall publish at once a weekly bulletin of proceedings setting forth the status of all measures on the date of adjournment and shall publish a cumulative supplement to such bulletin every 2 weeks after such adjournment until final action has been taken on all measures by the governor.

35.141 BULLETINS OF COMMITTEE HEARINGS. The chief clerk of each house shall, prior to the beginning of each week, prepare and have printed 1,000 copies of a bulletin of committee hearings scheduled for such week in each house. Said printer's copy shall show the date of approval and of publication of each act, and joint resolution, the number of the proposal from which it originated and the house in which it originated; but shall omit the signature of the officers affixed to the enrolled act, or joint resolution. Such printer's copy shall be delivered to the director and by him to the contract printer, who shall print and deliver the same within 60 days. The director shall determine the number of copies to be printed. After making the necessary comparison, the secretary of state shall annex at the end of one of the copies, which shall be filed in his office as a public record, his certificate that he has compared the printed copies therein with the original acts approved by the governor, and that

they appear to be correctly printed. All other copies and reprints thereof shall contain a printed copy of such certificate.

(2) If the legislature adjourns for an extended period before sine die adjournment, but such adjournment is for less than 60 days, the secretary of state shall publish the session laws in one volume. If such adjournment is for more than 60 days, the secretary of state may cause the first volume of the session laws to be published in such manner that laws enacted at the adjourned session may be printed as a pocket supplement, and the laws enacted as such adjourned session shall be printed as a pocket supplement unless the content thereof is so great that a separate bound volume is necessary.

35.17 CORRECTING TYPOGRAPHICAL ERRORS. In all official publications of Wisconsin session laws, the secretary of state shall cause all words and names to be correctly spelled, shall also correct obvious typographical errors in any enrolled act or joint resolution and no such correction shall be deemed an alteration of the enrolled copy. (1) No contract printer shall be paid for any printing not authorized by a written order of the director or of a chief clerk of the legislature except that when the legislature is not in session the executive secretary of the legislative council may order the printing of council reports. Every such order shall designate the class of the required printing, plainly state the quantity and kind thereof and be issued in multiple copies as determined by the director. A separate series shall be used for each class of printing, and shall be numbered consecutively throughout each contract period, beginning with number one, all multiple copies bearing the same number. No discretionary

order for printing shall issue unless said director is satisfied that the public welfare will be promoted by the requested printing sufficiently to justify the cost thereof. All orders issued by chief clerks of the legislature shall be filed with the director.

(2) The governor may cause the withdrawal of any printing requisition if, in his opinion, public policy demands it, or if the edition thereof seems excessive. In such cases, he shall hear the statement of the requisitioning officer, and shall communicate to such officer the action taken and reason therefor.

35.40 TITLE PAGES; NAMES OF AUTHORS. Every requisitioning agency shall provide the necessary printer's copy for a suitable title page, containing the name of the author for every book and other document which requires a title page; but no such publication shall have written or printed thereon, nor attached thereto, the words "Compliments of" followed by the name of the author, nor any other words of similar purport.

35.41 EDITING PRINTER'S COPY. Printer's copy must accompany every requisition. The editors of all state agencies may edit for themselves the matter and form of the contents of the printer's copy presented by them respectively to the director. All printer's copy which does not conform to accepted trade practices, and, in the opinion of the director is unsatisfactory, shall be returned to its author for revision and correction.

BASE PRICES AND INTERPRETATION; CLASSES 1, 2, 3 and 4.

35.43 BASE PRICES AND SPECIFICATIONS. (1) As a basis for bids for public printing in classes 1, 2, 3 and 4 the director shall, prior to advertising for bids in each even-numbered year, establish base prices and specifications which shall be uniform for all classes of printing except for composition for legislative printing which shall have a base price 25 per cent larger than that established for other composition and which base price shall include all composition for legislative printing. Base prices and specifications shall become a part of the contract with successful bidders.

(2) No charge for composition shall be allowed for second editions nor for any other reprint from type or plates owned by the state.

(3) Types and engravings made up into forms or pages shall be preserved for possible re-use for 30 days from final delivery in the case of job work, 60 days from final delivery in the case of book work, or such extended period as the director may designate due to justifiable emergencies, not to exceed 90 days for job work and 180 days for book work, and no additional charge will be allowed for composition when reprinting occurs during these periods, whether during a contract period or extending into succeeding contract periods when a contract printer again holds the contract for the same class of printing. When portions of the administrative code are reprinted, deviations from the above holding period is permissible when agreed to by the director and the contract printer.

(4) Job work shall normally be completed and delivered within 20 working days unless an earlier delivery is imperative and otherwise ordered; provided that allowance will be made for the actual time required for sending and returning proof. Book work shall be completed and delivered within a period of time satisfactory to the requisitioning agency and the director and with regard to current production load of state printing within the particular class of printing. In case of gross failure to comply with the normal production rate required by the class of printing involved, the director may apply a penalty of one per cent for each working day of delay beyond the normal production requirements of the class.

(5) Work must be done promptly and all type used, all ink and other material furnished and all workmanship must be satisfactory to the direc-

tor and in case of any substantial failure to comply with these provisions, the director may refuse to receive such defective or delayed printing, and procure such printing elsewhere, charging the contract printer with the difference between the actual cost and the contract price thereof. But if immediate necessity and lack of time to procure printing elsewhere compel the use of defective printing furnished by a contract printer, it shall be accepted without approval, and one-half of the contract price shall be charged to him as liquidated damages for such breaches of contract.

BIDS AND CONTRACTS; CLASSES 1, 2, 3 and 4.

35.45 ADVERTISEMENT FOR BIDS. The director shall during June and July of each even-numbered year advertise for the term of 4 successive weeks in 6 newspapers, each of which is published in a different city of the state, that sealed proposals for furnishing, during the next ensuing contract period, the printing included in classes 1, 2, 3 and 4, with all other material which the director shall require, will be received by said director at his office any time prior to a specified day, when all proposals will be there publicly opened and read; that each bidder may, at his option, file a proposal to furnish one, or more than one, or all of said several classes of printing; that upon application said director will in the meantime furnish to bidders a list of the base prices and specifications as he has established and all necessary blanks and information, and that no bids will be considered that are not presented in the form so prescribed. All such forms and a proper form for the advertisement shall be approved by the attorney general.

35.46 BIDS; WHAT TO CONTAIN. (1) Every such bid shall be in writing, enclosed in a sealed envelope, having endorsed thereon "Proposals for State Printing"; shall be filed in the office of the director on or before the time specified in the advertisement therefor as the day when the bids will be opened; shall specify the class or classes of printing for which it is made and the per cent of discount off from or the per cent above base prices (which shall be uniform for every item) at which the bidder proposes to do the work; shall be accompanied by a certificate of the state treasurer showing that the bidder has deposited with such treasurer \$1,000 in money, United States bonds or certified check, subject to the provisions of this chapter; shall be accompanied by a provisional agreement under seal, executed by the bidder to the effect that if such bid is accepted, and if he fails to enter into a printing contract and execute a bond within the time and conditioned as required by law then such deposit shall become absolutely the property of the state; and shall be further accompanied by a bond, executed by a surety company duly authorized to do business in this state, in the sum of \$5,000, to the effect that it guarantees the bidder will, if his bid is accepted, execute the contract and bond required by law within the time prescribed by the director.

(2) The director may include in the specification proposals for state printing a provision that the contract price shall be adjusted from time to time as affected by an increase or decrease in the printers' wage scale, providing that no adjustment will take effect before 3 months of a new contract period has elapsed.

(3) As a condition to the presentation of bids for state printing under this section, prospective bidders shall file with their bids a sworn statement to the effect that if any contract for state printing is awarded to such printer, it will be produced entirely within this state, except as permitted by ss. 35.012 and 35.55 (2), and that all work will be performed within the plant of the contract printer unless excepted by the director.

35.47 OPENING AND ACCEPTANCE OF BIDS. All bids shall be opened and read publicly at the time and place appointed therefor, or on such adjourned day as may be named by the director. Within 10 days thereafter such bids shall be accepted as he shall determine are proposals to do any of the first 4 classes of printing for the greatest per cent of discount from or the least per cent above base prices established by s. 35.43; provided that whenever he is satisfied that any of said bids has been presented pursuant to an agreement, understanding or combination to prevent free competition, he shall reject all of them and readvertise for bids as in the first instance. Each accepted bid shall have indorsed thereon over his signature the word: "Accepted" with the date of such acceptance.

35.48 REJECTION OF BIDS; RETURN OF MONEY. No bid shall be considered that does not fully comply with the requirements of s. 35.46; and if a bid is rejected for any reason the certificate of the state treasurer, the bidder's provisional agreement and deposit shall be returned to him. With every accepted bid the accompanying provisional agreement, certificate and money, bonds or certified check shall be retained until the bidder has entered into the printing contract, and furnished the bond, required of him by s. 35.49. Upon execution of such contract and the furnishing of such bond the provisional agreement and deposit shall be returned to him.

35.485 CONTRACT PERIOD, SEPARATE OR SINGLE CONTRACTS. Each of the classes of printing furnished by the contract printers shall be furnished under a separate contract, or all of them under a single contract as determined by the director to be most advantageous to the state, said contracts covering the 2 years included in the governor's term of office next following.

35.49 PRINTING CONTRACT AND BOND. Within 10 days after the acceptance of any bid, or such further time as the director may allow therefor, he shall cause a contract to be prepared and entered into by him on the part of the state and said bidder, setting forth fully the terms and conditions under which the work specified is to be performed. Such bidder shall at the same time furnish a bond to the state, such bond to be executed by a surety company duly authorized to do business in this state, and to be conditioned for the faithful performance of all duties required of him by law and by the terms and conditions of his bid and contract. The amount of such bond shall be 20 per cent of the total amount paid to the contract printer during the preceding 2-year contract period for each class of public printing, or subdivision thereof, based on the nearest even multiple of \$1,000; provided that the bond for any classification of state printing shall not be less than \$5,000. Said bond shall be approved by the director and, together with the contract and all other papers relating thereto, be deposited in the office of the secretary of state.

35.50 BREACH OF PRINTING CONTRACTS. If a successful bidder fails to enter into a printing contract and execute a bond as required by this chapter the \$1,000 deposited by him with the treasurer shall at once become the property of the state; and there shall be forfeited to the state the amount of the penalty named in the guaranty accompanying his provisional agreement. If such bidder or contractor enters upon the performance of his printing contract, and thereafter at any time during the term thereof refuses or neglects to comply with its terms and conditions or with the law relating to public printing, he shall be liable to the state in damages to the amount of the difference between the cost of public printing under his printing contract and the cost thereof under any subsequent contract or contracts let by the director. It is the duty of the attorney general, in all cases of damages and of forfeitures arising under

this chapter, to commence and prosecute to final judgment all necessary actions for the recovery thereof with costs, which when collected shall be paid into the state treasury.

35.51 RELETTING CONTRACTS. If a successful bidder fails to execute a printing contract with accompanying bond pursuant to his preliminary agreement and accepted bid, the director shall let the contracts to the next lowest bidder, unless in his opinion the interest of the state requires that new proposals be received, in which case he shall immediately proceed to advertise for new proposals in the manner prescribed by this chapter. If the contractor refuses or neglects to execute the work according to law and the terms of his printing contract, said director shall declare such contract void and his bond forfeited, and shall forthwith advertise for bids as in the first instance for the remainder of the contract period. Such emergency public printing as must be had while so readvertising and re-letting contracts may be obtained by said director at not exceeding current prices.

DELIVERY, BILLING, ACCOUNTING AND SPECIAL PURCHASES

35.52 DELIVERY OF PUBLIC PRINTING. The printing specified in each order shall be separately performed and, when completed, delivered by the contract printer as follows: Printing for the university, to the secretary of the board of regents; printing for the state historical society to its director; printing for the geological and natural history survey, to its secretary; printing for the legislature, to the chief clerks, respectively, who ordered it; all other printing to the director, who shall distribute it to the department which ordered said printing, or to such other point as he may designate in the metropolitan area of Madison. Every person to whom any public printing is delivered as aforesaid shall receipt for the same upon the form provided for departmental signature if the quantity thereof is found upon actual count to correspond with the requirements of the order, and file it with the director.

35.53 BILLS FOR PRINTING. Every contract printer shall file with the director a detailed and itemized invoice for each order of public printing furnished by him, in multiple copies as specified by the director, together with one copy of the job. One copy of every invoice shall be deposited, after audit and approval by the director, in the office of the director of budget and accounts.

35.54 ACCOUNTS. The director shall keep an account of all paper delivered to contract printers and prevent waste thereof. He shall also keep a record of costs, according to procedures determined by him or the director of budget and accounts, of each job of public printing, grouping said records separately for each class of printing.

35.545 EXPENSES OF PRINTING, HOW CHARGED. The costs of printing, plates, paper, binding, and the necessary services and materials shall be charged to the requisitioning agency unless excepted by statute.

35.55 SPECIAL PURCHASES. (1) Any material and labor necessarily required in doing public printing in classes 1 to 4 which is not provided for by this chapter and is not required of contract printers by existing contracts, may be procured by the director at not exceeding current prices.

(2) The director may order specialty printing from suppliers when it proves to be more economical or practical. Specialty printing includes maps, charts and pictures to be bound into books as inserts or to be mounted or used separately; printed, lithographed, engraved or embossed

stationery; tickets, sales books; patent, fanfold, or machine forms; wax spotting; and other similar items.

BINDING AND REBINDING

35.555 PURCHASE OF BINDING. All binding, not an integral part in the completion of a printing order, and rebinding necessary to preserve books, documents, manuscripts, periodicals and other material collected by any state agency, shall be purchased by the director.

PAPER PROCUREMENT, ACCOUNTABILITY, WASTE

35.56 PAPER PURCHASES. (1) The director shall procure by state bid and purchase procedures such paper supplies as are necessary for production of public printing and shall store such paper until needed and deliver quantities to the contract printer for current jobs or necessary stock piling.

(2) Contract printers are accountable for all paper assigned to them and shall report inventories periodically as prescribed by the director. Paper which has been wasted or converted to other uses shall be charged to the contract printer.

(3) Contract printers shall be allowed waste on all work performed according to specifications established in s. 35.43.

OFFICIAL STATE PAPER, FEES; CLASS 5.

35.63 OFFICIAL STATE PAPER. The legislature shall declare some newspaper published in Wisconsin to be the official state paper, which shall publish all the laws, advertisements, proclamations and communications required to be published. Any such publication from any of the state agencies shall be deemed official. Until a further designation is made the Wisconsin State Journal, Madison, is declared to be the official state paper.

35.64 PUBLICATION OF ALL LAWS. Every law shall be published once in the official state paper immediately after its approval, in type not smaller than 6 point, and the costs charged to the legislature.

35.68 PRINTER'S COPY; ENGLISH LANGUAGE; PUBLICATION. The secretary of state shall provide printer's copy for the printing and reprinting of all laws in newspapers. Every state agency required by law to publish any matter in a newspaper shall furnish printer's copy to the director with requisition therefor. All such printing shall be in the English language. Every statutory requirement of newspaper publication means one insertion unless a different meaning is specified.

35.69 FEES; STATE LEGAL NOTICES. (1) The compensation to the official state paper and other papers for the original printing of the laws, for reprinting any law or for printing all election and other notices, all accounts, fiscal statements, advertisements, proclamations or other matter required to be published at the expense of the state shall not exceed the rates specified in s. 331.25 (1). All expenditures incidental to such printing shall be borne by the paper doing the same.

(2) The costs of publication in newspapers of accounts, notices, statements, advertisements, proclamations or other matter shall, unless otherwise provided by law, be charged to the appropriation of the agency on whose order such publication is made.

SUPREME COURT REPORTS; CLASS 6.

35.74 SUPREME COURT REPORTS; SIZE AND DESCRIPTION. The reports of the supreme court shall be printed and bound in the manner, form and of material suitable for law books. Before the director

advertises for bids for the publication of said reports, the court may designate the maximum and minimum number of pages which each volume shall contain, the dimensions of the printed page and the margins thereof, the sizes and styles of type, the kind and weight of paper, and the kind of binding to be used during the next contract period; and when such designation has been filed with the director, the subsequent advertisements and contracts shall conform thereto. If no designation is filed the reports shall continue to conform to the specifications entered into in the most recent year. If in any case a volume shall contain more than the maximum number of pages, no increase of price shall be charged therefor by the publisher.

35.75 SUPREME COURT REPORTS; CONTRACT FOR PUBLICATION. All contract periods for the publication of the supreme court reports shall be 4 years each, commencing on January 1, 1952. Every such contract shall contain the following covenants on the part of the publisher:

(1) That he will print, bind and issue every volume of said reports for which the supreme court reporter shall furnish the manuscript;

(2) That he will publish, deliver and place on sale each of said volumes within 60 days after delivery to him, at the capitol in Madison, of the manuscript of a sufficient number of decisions for such volume, not counting as any part of said 60 days the time elapsing between the delivery by the publisher to the reporter of the last page proofs of such decisions and the delivery by the reporter to the publisher of the manuscript copy for the index, tables of cases and citations;

(3) That he will furnish promptly to the reporter, at the capitol in Madison, galley proofs, triplicate page proofs, and triplicate second page proofs of the matter contained in each volume, and revises of such proofs if called for by the reporter, and will make all changes required by the reporter and marked by him on the various proofs, changes from manuscript copy to be paid for by the state at cost out of the appropriation provided by s. 20.780 (1);

(4) That he will remain fully obligated to eliminate all typographical errors from the work, notwithstanding the correction of proofs by said reporter;

(5) That he will keep said volumes at all times during the contract period and for 2 years thereafter on sale in the state of Wisconsin to residents thereof at contract price, in suitable quantities, and at such places as may be designated therefor by the director;

(6) That he will deliver to the bureau of purchases at Madison, immediately after the publication, and subject to approval and acceptance by a majority of the justices of the supreme court as many copies of each volume at the contract price as it may require, making delivery at the same place;

(7) That he will not take out or procure to be taken out any copyright whatever upon any such volume, except in the name and for the benefit of the state of Wisconsin, and that upon any breach of this covenant as to copyright he will pay to the state treasurer \$500 as liquidated damages;

(8) That the director may declare the contract forfeited, whenever it is determined that the publisher has failed in any respect to comply with the provisions of this chapter or of his contract;

(9) That he will make no charge or claim against the state for full performance of said contract, except for the cost of changes from manuscript copy and for the contract price of the volumes delivered; and

(10) Said publisher, his representatives and assigns, may continue to publish and sell any such volume originally published by him, so long as

he and they comply with all the requirements of this chapter and of his contract in respect to the character, sale and price thereof, notwithstanding a copyright vested in the state.

35.76 ADVERTISEMENT FOR BIDS; SUPREME COURT REPORTS. Commencing in the first week in October next preceding each contract period, the director shall advertise for 6 successive weeks in newspapers, each of which is published in a different city of the state, that sealed proposals for printing, publishing and delivering the supreme court reports as required by this chapter will be received by said director and there publicly opened and read at a specified time, and that upon application said director will furnish to bidders all necessary information and blanks. The director may include in the specification proposals a provision that the contract price shall be adjusted from time to time during the term of the contract as affected by an increase or decrease in the printers' wage scale and paper and binding costs.

35.77 DEPOSIT BY BIDDERS; CONTENTS OF BID. Each bidder shall deposit with the state treasurer before filing his proposal the sum of \$1,000, to be forfeited to the state in case he shall not make a contract according to the terms of his proposal, if accepted, and according to the requirements of this chapter, take a receipt therefor from said treasurer, stating the aforesaid conditions of the deposit, and deliver the same to the director with his proposal. Each proposal shall specify the price per volume at which the volumes to be published during the contract period will be sold to the state and to residents of this state which bid price shall not exceed the maximum specified by the director.

35.78 OPENING AND ACCEPTANCE OF BIDS. All proposals shall be opened and read publicly at the time and place appointed therefor, or on such adjourned day as may be named by the director. Thereupon that proposal shall be accepted which proposes to sell said reports to the state and to residents of the state at the lowest price per volume. Each accepted proposal shall have indorsed thereon, over the signature of the director the word "Accepted," with the date of such acceptance, which indorsement shall constitute immediate notice to the bidder of the fact of acceptance. If no proposal has been received the director may, subject to the approval of the supreme court, enter into a temporary contract for printing, publishing and delivering said reports, and shall as soon thereafter as practicable relet the contract for the remainder of the contract period as herein provided for letting the original contract.

35.79 CONTRACTOR'S BOND; RELETTING CONTRACT. Within 30 days after the acceptance of any proposal, or such further time as the director may allow therefor, the successful bidder shall make a contract according to the terms of his proposal and according to the terms of this chapter, and shall execute to the state, and deposit with the state treasurer a bond in the penal sum of \$10,000, conditioned to fulfill such contract in all particulars, with at least 2 sufficient sureties, residents of this state, to be approved by the secretary of state. Such bond shall by its terms be the joint and several obligation of the person executing it; but such bidder may, in lieu of sureties to such bond, deposit therewith bonds of the United States, payable to the bearer, amounting to not less than \$10,000, which shall be deemed and held to be forfeited to the state of Wisconsin, in case of the failure of such bidder to fulfill any of the conditions of his said bond by him to be performed. If the successful bidder fails to complete his contract or forfeits the same for any cause, the director shall relet the contract as soon thereafter as practicable, for the remainder of the contract period, as herein provided for letting the original contract.

AGENCIES LOCATED OUTSIDE OF MADISON; CLASS 7.

35.80 JOB PRINTING FOR PARTICULAR STATE INSTITUTIONS.

Any state agency located outside the city of Madison may secure competitive bids for job printing and submit them to the director. If the director approves the lowest of such bids, the agency may contract for its printing. The agency shall file a copy of every such contract with the director within 20 days after completion of the work, together with an itemized statement of the printer's claim and a sample of the printing actually done. No such claim or account shall be audited or paid unless the approval of the director is indorsed thereon.

DISTRIBUTION, EXCHANGES, SALES

35.81 AUTHORITY FOR DISTRIBUTION; ACCOUNTING. All public printing delivered to the director by contract printers and by the publishers of Wisconsin reports shall be distributed to the persons in the manner directed by law, be receipted for by the distributees, and be accounted for by the director.

35.82 DISTRIBUTION WITHIN STATE, HOW MADE. All distributions of public printing to state officers, to other public officers, to municipalities, schools and institutions within the state shall be personal as far as practicable; and when otherwise, by mail, express or freight, all carriage charges payable by the state. Distributions directed in this chapter upon the applications of designated distributees shall not be made without such applications which, except when personal, must be made in writing and filed.

The printing or other duplicating shall be handled by the director. The revisor shall determine the style of the hole-punching and may purchase and sell at cost suitable binders for the code or parts thereof. He also shall supervise the arrangement of materials in the Wisconsin administrative code and register, including the numbering of pages and sections. (4) Each issue of the Wisconsin administrative register shall contain a notice section in which shall be printed the notices of hearings on rule-making which agencies have transmitted to the revisor for that purpose. The notice section shall be printed or duplicated in such a manner as to make it easily distinguishable from the remainder of the register. No charge shall be made for the notice section.

(5) The revisor shall determine, on the basis of possible free distribution requirements and probable sales demands, the number of copies of each part of the code and each issue of the register to be printed.

(6) The free distribution provided for in this subsection is in lieu of any free distribution which may be prescribed by s. 35.84, 35.85, 35.86, 43.13 or 43.14. (g) To members of the legislature, one copy to each member who makes a request therefor;

(h) To state agencies other than those enumerated in this section, one copy to each agency which makes a request therefor.

(7) The revisor may sell the code, issues of the register or parts of either of them at a price to be determined by him. He may establish the price of the register or parts thereof on an annual basis. Each agency may order as many copies of its part of the code or of its part of any issue of the register as it desires for its own use or for distribution and shall pay the revisor therefor.

(8) A subscriber is not entitled to a refund of any part of any advance payment for the register. The revisor shall notify each subscriber when a further payment is due.

(9) The revisor shall prepare and publish a table of contents and an index of all the rules in effect as of January 1, 1956, which have been compiled and printed pursuant to this section. The table of contents and index shall be recompiled and reprinted annually thereafter. They shall be printed in the same page size as the administrative code. In addition to the distribution required by sub. (6), the revisor shall distribute one copy of the table of contents and index free to each subscriber to the register or parts thereof.

35.94 COSTS OF PRINTING. The costs of printing of the administrative code and register shall be charged to the appropriation made by s. 20.680 (3).
