No. 680, S.

Published May 5, 1964. Effective May 6, 1964.

CHAPTER 486

AN ACT to create 39.06 (3a) (fm) of the statutes, relating to the return of unexpended taxes for county school superintendents' operations when a county becomes part of a joint county superintendency.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

39.06 (3a) (fm) of the statutes is created to read:

39.06 (3a) (fm) In any county in which a joint county superintendency has been established and the area in the county which is served by the joint county superintendent is not identical to the area formerly served by the county superintendent, the county board may, if any taxes collected for the operation of the county superintendency remain unexpended, return such unexpended moneys to the taxing districts from which taxes were collected for the county superintendent's operations. The portion to be returned to each such district shall bear the same relationship to all such unexpended moneys as the taxes collected from the district for the county superintendent's operations bore to all taxes collected for such purpose. The county may require that such returned moneys be used to defray the school levy of the taxing districts involved.

Approved April 28, 1964.
