

**CHAPTER 252, Laws of 1975**

AN ACT to amend 35.93 (3); and to create 14.09 of the statutes, relating to publication of executive orders.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

SECTION 1. 14.09 of the statutes is created to read:

**14.09 Executive orders.** The governor shall cause all executive orders issued by him to be deposited in the office of the secretary of state.

SECTION 2. 35.93 (3) of the statutes is amended to read:

35.93 (3) The revisor shall monthly compile and deliver to the department for printing copy for a register which shall contain all the rules filed since the compilation of rules for the preceding issue of the register was made and those executive orders which are to be in effect for more than 90 days or an informative summary thereof. The register shall be printed in the same style as the original code and shall be so set up as to permit the changes to be inserted as pages of the original code in lieu of the pages containing superseded material. Each issue of the register shall contain a title page with the name "Wisconsin administrative register," the number and date of the register, and a table of contents. Each page of the register shall also contain the date and number of the register of which it is a part in addition to the other necessary code titles and page numbers. The revisor may include in the register such instructions or information as in his judgment will help the user to correctly make insertions and deletions in the code and to keep his code current.
