The decision shall be final, but may be revoked or modified as altered conditions may require. The department shall deny a petition for review or shall refuse to grant relief if any of the following applies:

2. If a recipient requests a hearing within 10 days after the date of notice that his or her payments under sub. The department shall promptly notify the county department or the subunit of the department whose action is the subject of the hearing that the recipient has requested a hearing. Payments under sub. 3. The recipient shall be promptly informed in writing if his or her payments under sub. (1) are to be decreased or discontinued pending the hearing decision.

(6) (d) If the county department or department knows or has reason to know that the child is an Indian child, the county department or department provides notice of the Indian child's placement in the home of the interim caretaker to the Indian child's parent, Indian custodian, and tribe and determines that the home of the interim caretaker complies with the order of placement preference under s. 48.028 (7) (b) or, if applicable, s. 48.028 (7) (c), unless the county department or department finds good cause, as described in s. 48.028 (7) (e), for departing from that order.

(3) (c) 1. and criteria for determining the amount of the increase in monthly subsidized guardianship payments that a county department or the department shall offer if there has been a substantial change in circumstances and if there has been no substantiated report of abuse or neglect of the child by the person receiving those payments.

(c) Rules establishing the criteria for determining the amount of the decrease in monthly subsidized guardianship payments that the department shall offer under sub. (3) (c) 2. if a substantial change in circumstances no longer exists. The criteria shall provide that the amount of

the decrease offered by the department under sub. (3) (c) 2. may not result in a monthly subsidized guardianship payment that is less than the initial monthly subsidized guardianship payment provided for the child under sub. (1).

2. Starting with the first taxable year beginning after December 31, 2011, and for each of the 19 subsequent taxable years, and subject to the limitations provided under s. 71.26 (3) (n), for each taxable year that a corporation that is a member of a combined group has pre-2009 net business loss carry-forward, the corporation may, after using the pre-2009 net business loss carry-forward to offset its own income for the taxable year, and after using shareable losses to offset its own income for the taxable year, as provided under par. (b) 1., use up to 5 percent of the **remaining** pre-2009 net business loss carry-forward, until used or expired, to offset the Wisconsin income of all other members of the combined group on a proportionate basis, to the extent such income is attributable to the unitary business. If the full 5 percent of such pre-2009 net business loss carry-forward cannot be fully used to offset the Wisconsin income of all other members of the combined group, the remainder may be added to the portion that may offset the Wisconsin income of all other members of the combined group in a subsequent year, until it is completely used or expired, except that unused pre-2009 net business loss carry-forwards may not be used in any taxable year that begins after December 31, 2031.

3. Unless otherwise provided by the department by rule, if the corporation may no longer be included in the combined group, as determined under this section, the corporation’s pre-2009 net business loss carry-forward shall be available only to that corporation.

4. The department shall promulgate rules to administer this paragraph.

Municipal employees have the right of self-organization, and the right to form, join, or assist labor organizations, to bargain collectively through representatives of their own choosing, and to engage in lawful, concerted activities for the purpose of collective bargaining or other mutual aid or protection. Municipal employees have the right to refrain from any and all such activities. A general municipal employee has the right to refrain from paying dues while remaining a member of a collective bargaining unit. A public safety employee or a transit employee, however, may be required to pay dues in the manner provided in a fair-share agreement; a fair-share agreement covering a public safety employee or a transit employee must contain a provision requiring the municipal employer to deduct the amount of dues as certified by the labor organization from the earnings of the employee affected by the fair-share agreement and to pay the

amount deducted to the labor organization. A fair-share agreement covering a public safety employee or transit employee is subject to the right of the municipal employer or a labor organization to petition the commission to conduct a referendum. Such petition must be supported by proof that at least 30% of the employees in the collective bargaining unit desire that the fair-share agreement be terminated. Upon so finding, the commission shall conduct a referendum. If the continuation of the agreement is not supported by at least the majority of the eligible employees, it shall terminate. The commission shall declare any fair-share agreement suspended upon such conditions and for such time as the commission decides whenever it finds that the labor organization involved has refused on the basis of race, color, sexual orientation, creed, or sex to receive as a member any public safety employee or transit employee of the municipal employer in the bargaining unit involved, and such agreement is subject to this duty of the commission. Any of the parties to such agreement or any public safety employee or transit employee covered by the agreement may come before the commission, as provided in s. 111.07, and ask the performance of this duty.

111.70 (3) (a) 3. To encourage or discourage a membership in any labor organization by discrimination in regard to hiring, tenure, or other terms or conditions of employment; but the prohibition shall not apply to a fair-share agreement that covers public safety employees or transit employees.

To violate any collective bargaining agreement previously agreed upon by the parties with respect to wages, hours and conditions of employment affecting public safety employees or transit employees, including an agreement to arbitrate questions arising as to the meaning or application of the terms of a collective bargaining agreement or to accept the terms of such arbitration award, where previously the parties have agreed to accept such award as final and binding upon them or to violate any collective bargaining agreement affecting general municipal employees, that was previously agreed upon by the parties with respect to wages.

SECTION 2406pg. 111.70 (3) (a) 6. of the statutes, as affected by [2011 Wisconsin Act 10](#), is repealed and recreated to read:

111.70 (3) (a) 6. To deduct labor organization dues from the earnings of a public safety employee or a transit employee, unless the municipal employer has been presented with an individual order therefor, signed by the employee personally, and terminable by at least the end of any year of its life or earlier by the public safety

employee or transit employee giving at least 30 days' written notice of such termination to the municipal employer and to the representative organization, except when a fair-share agreement is in effect.

SECTION 2406prm. 111.70 (3) (a) 7m. of the statutes is created to read:

111.70 (3) (a) 7m. To refuse or otherwise fail to implement an arbitration decision lawfully made under sub. (4) (cg).

SECTION 2406rg. 111.70 (3) (a) 9. of the statutes, as affected by 2011 Wisconsin Act 10, is repealed and recreated to read:

111.70 (3) (a) 9. If the collective bargaining unit contains a public safety employee or transit employee, after a collective bargaining agreement expires and before another collective bargaining agreement takes effect, to fail to follow any fair-share agreement in the expired collective bargaining agreement.

SECTION 2406rrm. 111.70 (3) (b) 6m. of the statutes is created to read:

111.70 (3) (b) 6m. To refuse or otherwise fail to implement an arbitration decision lawfully made under sub. (4) (cg).

SECTION 2407bt. 111.70 (4) (bm) of the statutes is created to read:

111.70 (4) (bm) *Transit employee determination.* The commission shall determine that any municipal employee is a transit employee if the commission determines that the municipal employer who employs the municipal employee would lose federal funding under 49 USC 5333 (b) if the municipal employee is not a transit employee.

SECTION 2407dg. 111.70 (4) (c) 2. of the statutes, as affected by 2011 Wisconsin Act 10, is repealed and recreated to read:

111.70 (4) (c) 2. 'Arbitration.' Parties to a dispute pertaining to the meaning or application of the terms of a written collective bargaining agreement involving a collective bargaining unit containing a public safety employee may agree in writing to have the commission or any other appropriate agency serve as arbitrator or may designate any other competent, impartial and disinterested person to so serve.

SECTION 2407ep. 111.70 (4) (cg) of the statutes is created to read:

111.70 (4) (cg) *Methods for peaceful settlement of disputes; transit employees.* 1. 'Notice of commencement of contract negotiations.' To advise the commission of the commencement of contract negotiations involving a collective bargaining unit containing transit employees, whenever either party requests the other to reopen negotiations under a binding collective bargaining agreement, or the parties otherwise commence negotiations if no collective bargaining agreement exists, the party requesting negotiations shall immediately notify the commission in writing. Upon failure of the

requesting party to provide notice, the other party may provide notice to the commission. The notice shall specify the expiration date of the existing collective bargaining agreement, if any, and shall provide any additional information the commission may require on a form provided by the commission.

2. 'Presentation of initial proposals; open meetings.' The meetings between parties to a collective bargaining agreement or proposed collective bargaining agreement under this subchapter that involve a collective bargaining unit containing a transit employee and that are held to present initial bargaining proposals, along with supporting rationale, are open to the public. Each party shall submit its initial bargaining proposals to the other party in writing. Failure to comply with this subdivision does not invalidate a collective bargaining agreement under this subchapter.

3. 'Mediation.' The commission or its designee shall function as mediator in labor disputes involving transit employees upon request of one or both of the parties, or upon initiation of the commission. The function of the mediator is to encourage voluntary settlement by the parties. No mediator has the power of compulsion.

4. 'Grievance arbitration.' Parties to a dispute pertaining to the meaning or application of the terms of a written collective bargaining agreement involving a collective bargaining unit containing a transit employee may agree in writing to have the commission or any other appropriate agency serve as arbitrator or may designate any other competent, impartial, and disinterested person to serve as an arbitrator.

5. 'Voluntary impasse resolution procedures.' In addition to the other impasse resolution procedures provided in this paragraph, a municipal employer that employs a transit employee and labor organization may at any time, as a permissive subject of bargaining, agree in writing to a dispute settlement procedure, including binding interest arbitration, which is acceptable to the parties for resolving an impasse over terms of any collective bargaining agreement under this subchapter. The parties shall file a copy of the agreement with the commission. If the parties agree to any form of binding interest arbitration, the arbitrator shall give weight to the factors enumerated under subs. 7. and 7g.

6. 'Interest arbitration.' a. If in any collective bargaining unit containing transit employees a dispute has not been settled after a reasonable period of negotiation and after mediation by the commission under subd. 3. and other settlement procedures, if any, established by the parties have been exhausted, and the parties are deadlocked with respect to any dispute between them over wages, hours, or conditions of employment to be included in a new collective bargaining agreement, either party, or the parties jointly, may petition the commission, in writing, to initiate compulsory, final, and binding arbitration, as provided in this paragraph. At the time the

petition is filed, the petitioning party shall submit in writing to the other party and the commission its preliminary final offer containing its latest proposals on all issues in dispute. Within 14 calendar days after the date of that submission, the other party shall submit in writing its preliminary final offer on all disputed issues to the petitioning party and the commission. If a petition is filed jointly, both parties shall exchange their preliminary final offers in writing and submit copies to the commission when the petition is filed.

am. Upon receipt of a petition under subd. 6. a. to initiate arbitration, the commission shall determine, with or without a formal hearing, whether arbitration should be commenced. If in determining whether an impasse exists the commission finds that the procedures under this paragraph have not been complied with and compliance would tend to result in a settlement, it may order compliance before ordering arbitration. The validity of any arbitration award or collective bargaining agreement is not affected by failure to comply with the procedures. Prior to the close of the investigation each party shall submit in writing to the commission its single final offer containing its final proposals on all issues in dispute that are subject to interest arbitration under this subdivision. If a party fails to submit a single, ultimate final offer, the commission shall use the last written position of the party. Such final offers may include only mandatory subjects of bargaining, except that a permissive subject of bargaining may be included by a party if the other party does not object and is then treated as a mandatory subject. At that time, the parties shall submit to the commission a stipulation, in writing, with respect to all matters that they agree to include in the new or amended collective bargaining agreement. The commission, after determining that arbitration should be commenced, shall issue an order requiring arbitration and immediately submit to the parties a list of 7 arbitrators. The parties shall alternately strike names from the list until one name is left that person shall be appointed arbitrator. The petitioning party shall notify the commission in writing of the identity of the arbitrator. The commission shall then formally appoint the arbitrator and submit to him or her the final offers of the parties. The final offers are public documents and the commission shall make them available. In lieu of a single arbitrator and upon request of both parties, the commission shall appoint a tripartite arbitration panel consisting of one member selected by each of the parties and a neutral person designated by the commission who shall serve as a chairperson. An arbitration panel has the same powers and duties provided in this section as any other appointed arbitrator, and all arbitration decisions by a panel shall be determined by majority vote. In lieu of selection of the arbitrator by the parties and upon request of both parties, the commission shall establish a procedure for randomly selecting names of arbitrators. Under the procedure, the commission shall submit a list of 7

arbitrators to the parties. Each party shall strike one name from the list. From the remaining 5 names, the commission shall randomly appoint an arbitrator. Unless both parties to an arbitration proceeding otherwise agree in writing, every individual whose name is submitted by the commission for appointment as an arbitrator must be a resident of this state at the time of submission and every individual who is designated as an arbitration panel chairperson must be a resident of this state at the time of designation.

b. The arbitrator shall, within 10 days of his or her appointment under subd. 6. am., establish a date and place for the arbitration hearing. Upon petition of at least 5 citizens of the jurisdiction served by the municipal employer, filed within 10 days after the date on which the arbitrator is appointed, the arbitrator shall hold a public hearing in the jurisdiction to provide both parties the opportunity to present supporting arguments for their positions and to provide to members of the public the opportunity to offer their comments. The final offers of the parties, as transmitted by the commission to the arbitrator, are the basis for continued negotiations, if any, between the parties with respect to the issues in dispute. At any time prior to the arbitration hearing, either party, with the consent of the other party, may modify its final offer in writing.

c. Before issuing his or her arbitration decision, the arbitrator shall, on his or her own motion or at the request of either party, conduct a meeting open to the public to provide the opportunity to both parties to present supporting arguments for their complete offer on all matters to be covered by the proposed agreement. The arbitrator shall adopt without further modification the final offer of one of the parties on all disputed issues submitted under subd. 6. am., except those items that the commission determines not to be mandatory subjects of bargaining and those items that have not been treated as mandatory subjects by the parties, and including any prior modifications of the offer mutually agreed upon by the parties under subd. 6. b. The decision shall be final and binding on both parties and shall be incorporated into a written collective bargaining agreement. The arbitrator shall serve a copy of his or her decision on both parties and the commission.

e. Arbitration proceedings may not be interrupted or terminated by reason of any prohibited practice complaint filed by either party at any time.

f. The parties shall divide the costs of arbitration equally. The arbitrator shall submit a statement of his or her costs to both parties and to the commission.

g. If a question arises as to whether any proposal made in negotiations by either party is a mandatory, permissive, or prohibited subject of bargaining, the commission shall determine the issue under par. (b). If either party to the dispute petitions the commission for a declaratory ruling under par. (b), the proceedings under subd.

6. c. shall be delayed until the commission renders a decision in the matter, but not during any appeal of the commission order. The arbitrator's award shall be made in accordance with the commission's ruling, subject to automatic amendment by any subsequent court reversal.

7. 'Factor given greatest weight.' In making any decision under the arbitration procedures under this paragraph, the arbitrator or arbitration panel shall consider and shall give the greatest weight to the economic conditions in the jurisdiction of the municipal employer. The arbitrator or arbitration panel shall give an accounting of the consideration of this factor in the arbitrator's or panel's decision.

7g. 'Factor given greater weight.' In making any decision under the arbitration procedures under this paragraph, the arbitrator or arbitration panel shall consider and shall give greater weight to any state law or directive lawfully issued by a state legislative or administrative officer, body, or agency that places limitations on expenditures that may be made or revenues that may be collected by a municipal employer than to any of the factors specified in subd. 7r.

7r. 'Other factors considered.' In making any decision under the arbitration procedures under by this paragraph, the arbitrator or arbitration panel shall give weight to the following factors:

- a. The lawful authority of the municipal employer.
- b. Stipulations of the parties.
- c. The interests and welfare of the public and the financial ability of the unit of government to meet the costs of any proposed settlement.
- d. Comparison of wages, hours and conditions of employment of the transit employees involved in the arbitration proceedings with the wages, hours, and conditions of employment of other employees performing similar services.
- e. Comparison of the wages, hours and conditions of employment of the transit employees involved in the arbitration proceedings with the wages, hours, and conditions of employment of other employees generally in public employment in the same community and in comparable communities.
- f. Comparison of the wages, hours and conditions of employment of the transit employees involved in the arbitration proceedings with the wages, hours, and conditions of employment of other employees in private employment in the same community and in comparable communities.
- g. The average consumer prices for goods and services, commonly known as the cost of living.
- h. The overall compensation presently received by the transit employees, including direct wage compensation, vacation, holidays, and excused time, insurance and pensions, medical and hospitalization benefits, the continuity and stability of employment, and all other benefits received.

i. Changes in any of the foregoing circumstances during the pendency of the arbitration proceedings.

j. Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours and conditions of employment through voluntary collective bargaining, mediation, fact-finding, arbitration or otherwise between the parties, in the public service or in private employment.

8. 'Rule making.' The commission shall adopt rules for the conduct of all arbitration proceedings under subd. 6., including, but not limited to, rules for:

- a. The appointment of tripartite arbitration panels when requested by the parties.
- b. The expeditious rendering of arbitration decisions, such as waivers of briefs and transcripts.
- c. The removal of individuals who have repeatedly failed to issue timely decisions from the commission's list of qualified arbitrators.
- d. Proceedings for the enforcement of arbitration decisions.

8m. 'Term of agreement; reopening of negotiations.' Except for the initial collective bargaining agreement between the parties and except as the parties otherwise agree, every collective bargaining agreement covering transit employees shall be for a term of 2 years, but in no case may a collective bargaining agreement for any collective bargaining unit consisting of transit employees subject to this paragraph be for a term exceeding 3 years. No arbitration award involving transit employees may contain a provision for reopening of negotiations during the term of a collective bargaining agreement, unless both parties agree to such a provision. The requirement for agreement by both parties does not apply to a provision for reopening of negotiations with respect to any portion of an agreement that is declared invalid by a court or administrative agency or rendered invalid by the enactment of a law or promulgation of a federal regulation.

9. 'Application.' Chapter 788 does not apply to arbitration proceedings under this paragraph.

SECTION 2408b. 111.70 (4) (d) 2. a. of the statutes, as affected by 2011 Wisconsin Act 10, is repealed and recited to read:

111.70 (4) (d) 2. a. The commission shall determine the appropriate collective bargaining unit for the purpose of collective bargaining and shall whenever possible avoid fragmentation by maintaining as few collective bargaining units as practicable in keeping with the size of the total municipal workforce. The commission may decide whether, in a particular case, the municipal employees in the same or several departments, divisions, institutions, crafts, professions, or other occupational groupings constitute a collective bargaining unit. Before making its determination, the commission may provide an opportunity for the municipal employees concerned to

determine, by secret ballot, whether they desire to be established as a separate collective bargaining unit. The commission may not decide, however, that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both professional employees and nonprofessional employees, unless a majority of the professional employees vote for inclusion in the unit. The commission may not decide that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both school district employees and general municipal employees who are not school district employees. The commission may not decide that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both public safety employees and general municipal employees, if the group include includes both transit employees and general municipal employees, and public safety employees. The commission may not decide that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both craft employees and noncraft employees unless a majority of the craft employees vote for inclusion in the unit. The commission shall place the professional employees who are assigned to perform any services at a charter school, as defined in s. 115.001 (1), in a separate collective bargaining unit from a unit that includes any other professional employees whenever at least 30% of those professional employees request an election to be held to determine that issue and a majority of the professional employees at the charter school who cast votes in the election decide to be represented in a separate collective bargaining unit.

SECTION 2408ch. 111.70 (4) (d) 3. b. of the statutes, as created by [2011 Wisconsin Act 10](#), is repealed and recreated to read:

The election shall occur no later than December 1 for a collective bargaining unit containing school district employees and no later than May 1 for a collective bargaining unit containing general municipal employees who are not school district employees. The commission shall certify any representative that receives at least 51 percent of the votes of all of the general municipal employees in the collective bargaining unit. If no representative receives at least 51 percent of the votes of all of the general municipal employees in the collective bargaining unit, at the expiration of the collective bargaining agreement, the commission shall decertify the current representative and the general municipal employees shall be nonrepresented. Notwithstanding sub. (2), if a representative is decertified under this subd. 3. b., the affected general municipal employees may not be included in a substantially similar collective bargaining

unit for 12 months from the date of decertification. The commission shall assess and collect a certification fee for each election conducted under this subd. 3. b. Fees collected under this subd. 3. b. shall be credited to the appropriation account under s. 20.425 (1) (i).

SECTION 2409hg. 111.71 (2) of the statutes, as affected by 2011 Wisconsin Act 10, is repealed and recreated to read:

111.71 (2) The commission shall assess and collect a filing fee for filing a complaint alleging that a prohibited practice has been committed under s. 111.70 (3). Fees required to be paid under this subsection shall be paid at the time of filing the complaint or the request for fact-finding, mediation or arbitration.
