

Chapter Ag 106

TOBACCO FERTILIZER

Ag 106.01 Chlorine limit
Ag 106.02 Label required

Ag 106.03 Chlorine statement
Ag 106.04 Violation

Ag 106.01 Chlorine limit. No person, firm or corporation shall manufacture, sell, advertise or offer for sale, or have in possession with intent to sell any fertilizer labeled or otherwise represented as suitable for use as tobacco fertilizer, if it contains more than 2% chlorine.

Ag 106.02 Label required. No person, firm or corporation shall advertise, offer for sale or sell any fertilizer for use as tobacco fertilizer unless its brand name or label clearly indicates that it is suitable for such use.

Ag 106.03 Chlorine statement. No person, firm or corporation shall advertise, offer for sale or sell any fertilizer for use as tobacco fertilizer unless its label bears a statement of maximum chlorine content, which shall not exceed 2%.

Ag 106.04 Violation. Any violation of this order shall, in addition to such other penalties as are provided by law, constitute cause for denial, suspension or revocation of the license to sell fertilizer under the Wisconsin statutes.
